Ramón María del Valle-Inclán - Sonata de Primavera Ramon Maria Del Valle-Inclan, 2019-06-19 Una novela modernista La Sonata de Primavera del escritor español Ramón María del Valle Inclán forma parte de la tetralogía de Sonatas modernistas que tienen como protagonistas al marqués de Bradomín alter ego del escritor Por orden cronológico de publicación es la tercera de las sonatas modernistas En la Sonata de Primavera la acción transcurre en Italia cuando el marqués llega a un palacio de la ciudad de Liguria para entregar un mensaje del Papa a monseñor Gaetani que moribundo hace que sea recibido por la princesa Gaetani hermana del prelado y madre de cinco hermosas hijas El marqués queda prendado de la hija mayor María del Rosario que está en trance de ingresar en un convento lo que siguiendo el mito de Miguel de Mañara provoca que despliegue sus dotes de seductor *Gender and Nation in the Spanish Modernist Novel* Roberta Johnson, 2003 Offering a fresh revisionist analysis of Spanish fiction from 1900 to 1940 this study examines the work of both men and women writers and how they practiced differing forms of modernism As Roberta Johnson notes Spanish male novelists emphasized technical and verbal innovation in representing the contents of an individual consciousness and thus were more modernist in the usual understanding of the term Female writers on the other hand were less aesthetically innovative but engaged in a social modernism that focused on domestic issues gender roles and relations between the sexes Compared to the more conventional even reactionary ways their male counterparts treated such matters Spanish women s fiction in the first half of the twentieth century was often revolutionary The book begins by tracing the history of public discourse on gender from the 1890s through the 1930s a discourse that included the rise of feminism Each chapter then analyzes works by female and male novelists that address key issues related to gender and nationalism the concept of intrahistoria or an essential Spanish soul modernist uses of figures from the Spanish literary tradition notably Don Quixote and Don Juan biological theories of gender prevalent in the 1920s and 1930s and the growth of an organized feminist movement that coincided with the burgeoning Republican movement This is the first book dealing with this period of Spanish literature to consider women novelists such as María Martínez Sierra Carmen de Burgos and Concha Espina alongside canonical male novelists including Miguel de Unamuno Ramón del Valle Inclán and Pío Baroja With its contrasting conceptions of modernism Johnson s work provides a compelling new model for bridging the gender divide in the study of Spanish fiction [Mysticism and Esperpento in Ramón María Del Valle-Inclán's Sonata de Primavera](#) Charlene Tillman Kinard, 2001 **Sonata de**

Ramón del Valle-Inclán,1905 *A Dream of Arcadia* Lily Litvak,2014-09-12 The dream of progress that animated many
nineteenth century artistic and political movements gave way at the turn of the century to a dissatisfaction with the
Industrial Civilization and a recurrent pessimism about a future dominated by mechanization Art Nouveau which was both a
style and a movement embodied this dissatisfaction marking the turn of the century period with an aesthetic that consciously
set out to revolutionize literature the arts and society within the framework of a brutalizing wildly burgeoning Industrial
Civilization Generally associated with northern European culture Art Nouveau also had a great impact in the south
particularly in Spain A Dream of Arcadia is the first work to explore Spain s fertile and imaginative Art Nouveau Through the
eyes of four major Spanish writers Lily Litvak views several different aspects of the turn of the century struggle against the
advances of industrialism in Spain Her interpretation of the early works of Ram n del Valle Incl n Miguel de Unamuno Jos
Mart nez Ruiz Azor n and P o Baroja exposes a longing for a preindustrial arcadia based on a return to nature the revival of
handicrafts and medieval art an attraction to rural primitive societies and a revulsion against the modern city Set against the
European literary and artistic background of the period her observations place the Spanish manifestations of Art Nouveau
within the context of the better known northern phenomena Of particular interest is her discussion of the influences of John
Ruskin William Morris and the Pre Raphaelites which demonstrates how the general European mood was articulated in Spain
Litvak concludes that Valle Incl n Unamuno Azor n and Baroja must be considered as more than simply fin de si cle writers
for they became part of a general movement generated by Art Nouveau that spans an entire century A Dream of Arcadia
demonstrates that Art Nouveau was more than a flash on Europe s artistic horizon it is a philosophy with ramifications that
have led to communes handcrafted articles and nomadic adolescents in search of truth Ramón Del Valle-Inclán: The
