**The Midnight Colt** Glenn Balch,2004-07-27 Would you buy a horse Peck o Trouble Peck o Trouble is a high strung race horse that won t settle down Ben Darby is a boy from an Idaho ranch who sees some good in Peck and convinces his uncle Wes to loan him enough money to purchase the anxious horse The trouble is Peck may have to learn how to walk again before he s ready to run and Ben only has one summer to train him race him and resell him With a race horse that s afraid to race and a loan he can t afford to pay back guess you could say Ben Darby is in a peck o trouble The midnight colt Glenn Balch,1970 *Home on the Ranch: A Montana Hero* Rebecca Winters,Marin Thomas,2018-11-06 Come to the heart of horse country In a Cowboy s Arms The day she turned eighteen Sadie Corkin was going to elope with Jarod Bannock the son of her family s most bitter rival Until it all went wrong Eight years later one thing hasn t changed her passion for the proud sexy Apsalooke rancher There s unfinished business between them including what really happened that fateful night And now there s a more immediate threat to their happiness an enemy who wants Sadie s ranch Beau Cowboy Protector As much as Sierra Byrne wants to be with Beau Adams anything long term is impossible A recently diagnosed illness will soon leave her blind and she can t ask the rising rodeo star to take on that responsibility Though she tries to pretend their connection is just physical Sierra s true feelings run a lot deeper Will she let her affliction steal not only her sight but her dreams of happiness as well **Beau: Cowboy Protector** Marin Thomas,2012-10-30 Beau Adams can t stop thinking about Sierra Byrne Her feisty spirit and ample curves dominate his thoughts while he should be focused on getting himself and Midnight the Harts prized stallion to the National Finals Rodeo When Beau and Sierra s electric connection finally leads to a steamy night together Beau hopes it s the beginning of something more As much as Sierra wants to be with Beau anything long term is out of the question A recently diagnosed eye disease will soon leave her blind and she can t ask a rising rodeo star like Beau to take on that responsibility Though she tries to pretend their tryst was just another item on her bucket list Sierra s true feelings run a lot deeper Will she let her affliction steal not only her sight but her dreams of happiness as well **Nobody's Horses** Don Höglund,2013-09-10 Descended from the greatest horses of the American West the wild horses living on the White Sands Missile Range in New Mexico one of the most dangerous places on Earth were a national treasure and a living legend Big strong beautiful and fierce their ancestors were the mounts of the famous lawmen hardy cowboys and notorious outlaws who had once ruled the Wild West Over the years these far flung herds of the Land of Enchantment had inspired many myths and were said to be guarded by an implacable band of enormous ghostly stallions that kept them from harm But in 1994 after decades of suffering through droughts food shortages and all the dangers that go with living on a military weapons testing site scores of horses suddenly died And almost two thousand were in such dire straits that they were unlikely to survive In a race to prevent more tragic deaths large animal veterinarian Don H glund was called in to organize and lead a team of dedicated cowboys soldiers and other professionals in removing the surviving horses and their babies to

safety Then would come the challenge of rehabilitating them and eventually placing them in loving homes with people who could meet the needs of the highly spirited wild animals For the first time in book form Nobody s Horses tells the dramatic story of these noble horses celebrated history their defiant survival and their incredible rescue During the complex rescue stampedes escapes and injuries ensued as well as struggles with animal rights activists and army officials Everyone was in constant danger from unspent munitions on the ground and missile testing in the air Cowboys Native Americans and ranchers all of whom cared deeply about the fate of the horses clashed in a battle of wills And of course there were the horses themselves wild extraordinarily powerful animals not easily managed or moved who would become known to their rescuers as fascinating individual characters the wily old mares who evaded capture and led their bands to water and food the beautiful colts and their amazing resilience and ability to bond with humans and each other and the magnificent powerful stallions who protected their harems and young against humans and predators Luckily H glund s team was also extraordinary and their mission a celebrated success for all the people involved the horses that were rescued and the grateful families who adopted these living pieces of an American legacy Filled with history and heroism adventure and rivalry and ultimately the heartwarming alliances between horses and people which made the whole endeavor worthwhile Nobody s Horses will stir the emotions and imaginations of horse lovers humanitarians and anyone who loves an uplifting tale of second chances It s a story of how Nobody s Horses became Everybody s Horses
