The Path Of Initiation:

The Path of Initiation J. S. Gordon, 2013-07-04 Details the process of spiritual initiation from aspirant to the highest Adept Explains the characteristics of each stage of initiation including the associated psychological issues that need to be faced to move to the next stage Explores the long history of the Mystery traditions from ancient Egypt Babylonia and India to the modern Theosophy of Blavatsky and Bailey Reveals how the Brotherhood of Spiritual Adepts is increasing global tensions to prepare humanity for the Age of Aquarius and spiritual revelation As the precessional cycle transits from Pisces to Aquarius great shifts in spiritual evolution are on the horizon not for all of humanity as many in the New Age movement have generously hypothesized but for those who have undertaken the necessary spiritual preparation and initiatory work Drawing from his deep immersion in the Mystery traditions of both East and West author J S Gordon investigates the initiatic path from ancient times to modern day detailing the step by step process of initiation and the sequence from spiritual aspirant to the highest Adeptship He explains the natural logic and characteristics of each stage of initiation including the associated problems and psychological issues that need to be faced in order to move forward to the next stage He shows how humanity is naturally inclined to spiritual evolution and the development of higher consciousness We are part of the overall evolutionary process of Nature a system guided by the most highly evolved Adepts and extending beyond Earth to the entire kosmos Exploring the long history of the Mystery schools beginning with ancient Egypt Babylonia and India Gordon examines the sacred metaphors and allegories of esoteric philosophy metaphysics occult science and the Science of the Seven Rays as well as the Adept inspired theosophical works of H P Blavatsky and A A Bailey He looks at the Adept Hierarchy of the Great White Himalayan Brotherhood and considers in detail two much discussed mysteries The Jesus as Christ mystery and the Maitreya Buddha mystery Revealing how advancement spiritual scientific and cultural erupts out of tension he explains how the Adepts have been increasing local and global tensions to prepare humanity for the Age of Aquarius thereby creating the ideal preconditions for spiritual evolution and an eventual restoration of the Mysteries in our own modern era

[The Path of Initiation](#) Alphonse Goettmann, 2009-11-17 The reader will find in this book the clearest expression of the teachings of Karlfried Graf Durckheim This book is a bestseller in Europe and has been translated into several languages Durckheim is especially important to our times because he focuses on the individual s experience of the transcendent rather than traditional teachings on the subject of spiritual development Yet his wisdom is informed by the best in Christian spiritual teachings especially Meister Eckhart and the early Fathers Zen Buddhism he spend eight years with masters in Japan and in humanistic psychology In some ways he may be called the father of transpersonal psychology Anyone searching for authentic awakening or encounter with the divine will find practical and life changing insights in this book Regardless of the reader s background this book goes to the heart of the matter each person s pragmatic experience of higher consciousness

March 2020 Are Thoresen contracted Covid 19 Whilst convalescing from the disease and suffering great exhaustion he experienced a breakthrough in his daily meditation Although he has always been able to see into the spiritual world now deeper unknown realms appeared to his inner vision In the soapstone surround of the fireplace in his Norwegian home he perceived the elemental beings and forces that make up the mineral at an atomic level A few days later an even deeper dimension revealed itself in the form of a void or vacuum Here astonishingly was an open portal to the entire cosmos In *Travels on the Northern Path of Initiation* Thoresen shares the results of his latest spiritual investigations including a moving life changing encounter with the Light of the World He details the teachings he receives from the beings Vidar and Balder who stand as guardians to the threshold of the outer etheric world and characterizes the Northern way of initiation which is based on merging or fading into nature Thoresen documents Rudolf Steiner s descriptions of this path and shows how it is reflected in the Old Norse Poetic Edda the Kalevala and von Eschenbach s Parzival Based on painstaking research he describes the individual qualities of the three elemental realms and how the adversarial forces seeking to corrupt human senses hinder spiritual observation of them Thoresen s book is a powerful personal testimony to the human potential for spiritual knowledge and experience in our time [Tarot and the Path of Initiation](#) Henry Ho,2023-10-05 The revised and improved edition of the *Tarot and the Path of Initiation* This book marks the author s first steps into tarot Thelema and the Western Magickal Tradition It is a book by a beginner for other beginners founded on the idea that someone who has just learnt the material is more able to explain it in simple terms than a master who is overly familiar with the complex landscape May it contribute to your own understanding of Aleister Crowley s Thoth deck and of Thelema *The Path of Initiation I and II* Lucille Cedercrans,2004-08 You are seekers all of you seeking Truth as man has sought Truth throughout all of his many experiences That seeking has been the basic cause of all your experiences regardless of their nature The so called good and the bad have been the result of man s great desire to know The vague indescribable restlessness within which drives man from one experience to the other is his demand for Truth And what is the Truth that man seeks His own Identity The realization that he is a Son of God a Conscious Soul Incarnate Down through the ages a man here and there has found that Truth has established once and for all the fact of his own Divinity and out of a selfless love for his brothers has tried to bring this Truth to all men Today the demand to know has risen from the sub consciousness of the race and humanity as a whole is conscious of this demand as the great need which must be fulfilled The spark of aspiration is being fanned into flame and as world conditions become more critical that flame can be seen to burn more brightly As human aspiration surmounts the greed of the separated self the demand of humanity for Truth will become so powerful as to bring it forth and man will be free Know the Truth and it shall make you Free *The Path of Initiation* pp 47 48 **Tarot and the Path of Initiation** Henry Ho,2013-11 This book came into being from the author s exasperation at the ignorance of many users of the Thoth tarot deck They prefer to go by their intuition rather than study Crowley s companion book to the deck *The Book of Thoth* It s too dense

they cry I m not interested in these philosophies I just want to read Tarot The above sentence is the greatest insult to Aleister Crowley the creator of the Thoth deck For the deck s purpose was to convey the higher mysteries to the diviner Crowley intended for the deck never to be sold separately from the Book of Thoth And so heart full of elitist snobbery and sense of obligation to Crowley the author of this book set out to spoon feed this dense material to the masses without watering down its contents In the spirit of Crowley who sought to enlighten the world the author has added his own contribution to Crowley s legacy out of duty It was due to Crowley s belief in freedom of information during an era of politics and secrecy that the author was able to get his own hands on the gem of all spiritual writing the Book of Thoth The Path of the Soul White Eagle,1997 A revised and expanded edition of this work first published in 1959 White Eagle s teaching has a subtle relationship with the Christian message in that he sees the Christ as being inside each of us but fully and completely embodied in the personality of Jesus After a series of teachings in which White Eagle gave a new interpretations of St John s gospel he turns his attention to the symbolic life pattern of every man and woman The key to this he shows is the life of Jesus as portrayed in the four gospels **The Way of Initiation** Rudolf Steiner,2023-12-07 The Way of Initiation is a book written by Rudolf Steiner an Austrian philosopher esotericist and founder of anthroposophy The book was first published in German in 1904 under the title *Wie erlangt man Erkenntnisse der h heren Welten* How to Attain Knowledge of the Higher Worlds In The Way of Initiation Steiner explores spiritual development and the path to higher knowledge He provides guidance and insights for individuals seeking a deeper understanding of the spiritual dimensions of existence The book is a foundational text within the broader anthroposophical movement which emphasizes the development of the human spirit and the connection between the spiritual and material worlds Key themes in the book include Self Development Steiner discusses the importance of inner development and self transformation as a means to attain higher knowledge This involves cultivating one s spiritual faculties and overcoming personal limitations Esoteric Practices The book outlines various esoteric practices and exercises intended to awaken higher spiritual faculties These practices may include meditation concentration and the development of inner perception Understanding the Spiritual World Steiner provides insights into the nature of the spiritual world including the existence of higher spiritual beings and the interconnectedness of all existence Moral and Ethical Development The path to spiritual initiation according to Steiner is closely tied to moral and ethical development He emphasizes the importance of cultivating virtues and a sense of responsibility Initiation Steiner describes the stages of initiation and the transformative experiences that individuals may undergo on the path to higher knowledge The Way of Initiation is written in a style that combines philosophy mysticism and practical guidance It serves as a guide for individuals interested in exploring the deeper dimensions of human consciousness and spirituality Keep in mind that Steiner s teachings are associated with anthroposophy a spiritual philosophy that has its own set of principles and practices *Letters of Guidance and Teaching on the Path of Initiation and Ascension* Dr. David Joshua Stone,2001-05-23 Letters of Guidance and
