The Soul Of The Robot:

The Soul of the Robot Barrington J. Bayley, 2011-11-14 He was unique Alone in a world that did not understand him he tested the super powers of his mind and body More than a machine but less than a man he searched restlessly for the truth Before his quest was done he had died and been reborn had fought his way from a grim dungeon to a royal throne Jasperodus the only super robot to have been granted consciousness must decide whether to share his soul possessing secrets with the other robots or to betray them to save mankind *The Soul of the Robot* Barrington J. Bayley, 1977 **Soul of the Robot** Barrington J. Bayley, 1974 **The Rod of Light** Barrington J. Bayley, 2011-09-29 Robot evolution has advanced to the point that intelligent robots have liberated themselves from servitude defending themselves from servitude defending themselves against the humans who work to exterminate them using super machines The ultimate hope of the most powerfully intelligent robots lies in the attainment of human consciousness And they are willing to steal men s souls if they must to get this final elusive quality for themselves Only one free robot Jasperodus has been granted true consciousness a soul by his maker now long dead Brought into the soul research project by force Jasperodus faces a moral dilemma to release his secret and bring about the final downfall of humanity to a new race of super robots or to keep his own kind forever from the light of consciousness And the mechanized armies of the humans press ever forward seeking the robot hideout *Animism beyond the Soul* Katherine Swancutt, Mireille Mazard, 2018-04-23 How might we envision animism through the lens of the anthropology of anthropology The contributors to this volume offer compelling case studies that demonstrate how indigenous animistic practices concepts traditions and ontologies are co authored in highly reflexive ways by anthropologists and their interlocutors They explore how native epistemologies which inform anthropological notions during fieldwork underpin the dialogues between researchers and their participants In doing so the contributors reveal ways in which indigenous thinkers might be influenced by anthropological concepts of the soul and equally how they might subtly or dramatically then transform those same concepts within anthropological theory R.U.R.
