The Southern Highlander His Homeland:

The Southern Highlander and His Homeland John Charles Campbell, 1921 In 1908 John C Campbell was commissioned by the Russell Sage Foundation to conduct a survey of conditions in Appalachia and the aid work being done in these areas to create the central repository of data concerning conditions in the mountains to which workers in the field might turn Originally published in 1921 The Southern Highlander and His Homeland details Campbell's experiences and findings during his travels in the region observing unique aspects of mountain communities such as their religion family life and forms of entertainment Campbell's landmark work paved the way for folk schools agricultural cooperatives handicraft guilds the frontier nursing service better roads and a sense of pride in mountain life the very roots of Appalachian preservation The Southern Highlander and His Homeland John Charles Campbell, 1921

SOUTHERN HIGHLANDER AND HIS HOMELAND JOHN C. CAMPBELL, 2018 **The Southern Highlander and His Homeland (Classic Reprint)** John C. Campbell, Professor Department of Political Science and Program Director East Asia Business Program John C Campbell, 2017-11-22 Excerpt from The Southern Highlander and His Homeland It should be added that Mr Campbell understood thoroughly the difficulties in the way of writing of a people who while forming a definite geographical and racial group were by no means socially homogeneous Many statements applicable to the remote rural folk who were the particular object of his study were not true of their urban and valley kinsfolk yet to differentiate groups in discussing phases of life common to all was not easy Moreover it was impossible usually to secure data on a strictly group basis That misunderstandings would arise however carefully he defined his groups or limited his discussion of them he felt was inevitable and deeply concerned as he was in the working together of all forces he questioned the advisability of publishing a book which might result in division rather than in union Not until the last year of his life did he finally consent to edit in the light of his many years of experience his mass of notes and material for publication I will not say that it was too late for he was able to outline his book thoroughly and even to finish entirely certain portions but health long impaired by a life of many hardships and much sorrow failed rapidly and death came before the manuscript could be completed Writing of Mr Campbell Warren H Wilson Director of the Church and Country Life Work of the Presbyterian Church and a widely known student of rural life says About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Southern Highlander and His Homeland** John C Campbell, 2016-05-06 This work has been selected by scholars as being culturally important and is part of the knowledge
