

# *The Spiritual Plane*

The highest plane is the realm of the spirit, and is often sub-divided into other planes, such as the plane of the soul or the plane of the divine essence. Since few people are spiritually developed enough to perceive this plane, little is known about it, but the spiritual plane is the home of the spirits of the departed. People having a near-death experience sometimes become conscious of this plane and can talk to spirits and angels. This plane is also known as the causal plane, because as the highest plane it is the ultimate root of all things that happen on the lower planes.

***The spiritual or causal plane is the source of all of creation and is where you can commune with the spirit world.***
