Theatrical Reflections:

Reflections Upon Theatrical Expression in Tragedy Roger Pickering, 1755 **The Dramatic Imagination** Robert Edmond Jones, 2004-09-08 The Dramatic Imagination is one of the few enduring works written about set design Robert Edmond Jones's innovations in set design and lighting brought new ideas to the stage but it is greater understanding of design its role at the heart of theater that has continued to inspire theater students The volume includes A New Kind of Drama To a Young Stage Designer and six other of Jones's reflections **Theatrical Reflections** Bert Cardullo, 1992 Theatrical Reflections consists of essays on such plays as Hamlet Leonce and Lena Curse of the Starving Class The Birthday Party The Knight of Olmedo and Androcles and the Lion in addition to reviews of productions of The Servant of Two Masters Yerma The Threepenny Opera Caligula and Wings among other works The author's focus in his essays is on dramatic analysis that ultimately can be of benefit to directors designers and even actors that is with analysis of character action language and setting that can be translated into viable concepts for theatrical production In the case of reviews of course he is concerned with evaluating the actual concepts behind various theatrical productions Most of the plays considered here are regularly produced and it is the goal of this book to make some contribution to their future staging **The Mirror and the Stage** James N.
