

EXTRA-MARITAL SEX: Having sex where one or more people is married to somebody else.
PRE-MARITAL SEX: Having sex before marriage.
 Sex expressed a deep loving and life long union that first requires the commitment of marriage.
 Important to be sexually pure because having sex is part of the loving and trusting relationship which is to be developed in a marriage, not just a casual temporary pleasure.

FOR

Need to know if you are sexually compatible with someone before making the commitment of marriage.
 Sex is enjoyable, if it was shameful why would God make it pleasurable?
 Sex is a valid expression of love for each other.
 As long as the two adults are of legal age and are both consenting there is no shame in having sex.

AGAINST

- God created sex for people who are married, the Bible is like an instruction manual so we shouldn't go against it.
- The Bible tells us to 'See from sexual impurity' and that 'our bodies are the temples of the Holy Spirit' so we should keep them pure.
- It devalues and corrupts the nature of sex, obscuring it.
- Sex should only take place within marriage as it is a safe and stable environment.
- Can lead to the spread of STIs.

Marital Sex: The Bible says 'Thou shalt not commit adultery', it is also unlawful to cheat somebody and the Bible says to 'Love thy neighbour' and 'treat others how you wish to be treated'.

POLYGAMY

In the Bible there are examples of men practicing Polygamy.
 Jacob, the grandson of Abraham, had multiple wives.
 King David became the greatest King of Israel and had multiple wives.
 However this had its difficulties, David committed adultery and was tormented with sexual immorality.
 The Bible shows through Adam and Eve that God's commands for one woman and one man to be together.
 Therefore shall a man leave his father and his mother, and shall cleave unto his wife and they shall be one flesh.
 The Catholic Church forbids polygamy as a grave offense against marriage contrary to the original plan of God and equal dignity of human beings.

SINGLE-SEX PARENTS

Christians disagree because they believe it is ideal for a child to grow up with both a male and female role model.
 Some say that it is more important for a child to be secure and loving family regardless of the

Family is important because Christians are commanded to love one another, and it is in the family where a child learns to love.
 In Biblical times, many people lived in extended family households.
 Values and traditions would be passed onto children.
 Honour your father and your mother' Exodus 20:12 is still an important Christian belief today.

GENDER EQUALITY

Christians believe that all people have been created as equals in the image and likeness of God.
 Men and women were created in the image of God and are equally capable of things which men do.
 There is neither Jew nor Greek, slave nor free, male nor female, for you are all one in Christ Jesus.
 Some traditional Christians believe that men are the head of the family and men have authority over the children. For the husband is the head of the church, Ephesians 5:23.
 The Catechism of the Catholic Church teaches that men and women are very different roles, that is because our nature is different, this does not mean we are just that we are designed to perform different functions.
 A lot of beliefs about the role of women have come from Genesis 2:1, verse 2. It says, 'the Lord God created the man, and he breathed into his nostrils the breath of life, and he became a living being.'

Relationships and Families

CONTRACEPTION

Some Catholics use the Rhythm calculating a fertility base monthly.
 Some Christians feel that the pill is wrong as an egg from sex as conception takes place, it is STIs.

DIVORCE AND RE-MARRIAGE

FOR

- Being in an unhappy marriage can lead to resentment - it is more loving to end it.
- Sometimes people grow apart and change, they should not be forced to stay in an unhappy marriage.
- In the Bible (Deuteronomy 24) Moses explains how a divorce can be permitted.

AGAINST

- In the Bible, Jesus taught that anyone who divorces and remarries was committing adultery. 'If she divorces her husband and marries another man, she commits adultery'.
- By divorcing you are breaking the promise you made in front of God.
- Marriage is a lifelong union, divorce breaks this.
- So they are no longer two, but one flesh. Therefore what God has joined together, let no one separate.
- People having problems in their marriage should seek a Christian.

ANNULMENT

The Catholic church sees divorce as a sin. Divorce is a permanent decision. However, under certain circumstances where it is deemed that the never valid in the first place the conditions:
 1. It was not consummated (intercourse has not taken place)
 2. One could not freely consent (forced, under duress)
