Theodore Rex:

Theodore Rex Edmund Morris, 2002-10-01 NEW YORK TIMES BESTSELLER A shining portrait of a presciently modern political genius maneuvering in a gilded age of wealth optimism excess and American global ascension San Francisco Chronicle WINNER OF THE LOS ANGELES TIMES BOOK PRIZE FOR BIOGRAPHY Theodore Rex is one of the great histories of the American presidency worthy of being on a shelf alongside Henry Adams's volumes on Jefferson and Madison Times Literary Supplement Theodore Rex is the story never fully told before of Theodore Roosevelt's two world changing terms as President of the United States A hundred years before the catastrophe of September 11 2001 TR succeeded to power in the aftermath of an act of terrorism Youngest of all our chief executives he rallied a stricken nation with his superhuman energy charm and political skills He proceeded to combat the problems of race and labor relations and trust control while making the Panama Canal possible and winning the Nobel Peace Prize But his most historic achievement remains his creation of a national conservation policy and his monument millions of acres of protected parks and forest Theodore Rex ends with TR leaving office still only fifty years old his future reputation secure as one of our greatest presidents Theodore Rex

Edmund Morris, 2001-11-20 The most eagerly awaited presidential biography in years Theodore Rex is a sequel to Edmund Morris's classic bestseller *The Rise of Theodore Roosevelt* It begins by following the new President still the youngest in American history as he comes down from Mount Marcy New York to take his emergency oath of office in Buffalo one hundred years ago A detailed prologue describes TR's assumption of power and journey to Washington with the assassinated President McKinley riding behind him like a ghost of the nineteenth century Trains rumble throughout this irresistibly moving narrative as TR crosses and recrosses the nation Traveling south through a succession of haunting landscapes TR encounters harbingers of all the major issues of the new century Imperialism Industrialism Conservation Immigration Labor Race plus the overall challenge that intimidated McKinley how to harness America's new power as the world's richest nation Theodore Rex the title is taken from a quip by Henry James tells the story of the following seven and a half years in which TR entertains infuriates amuses strong arms and seduces the body politic into a state of almost total subservience to his will It is not always a pretty story one of the revelations here is that TR was hated and feared by a substantial minority of his fellow citizens Wall Street the white South Western lumber barons even his own Republican leadership in Congress strive to harness his steadily increasing power Within weeks of arrival in Washington TR causes a nationwide sensation by becoming the first President to invite a black man to dinner in the White House Next he launches his famous prosecution of the Northern Securities Company and follows up with landmark antitrust legislation He liberates Cuba determines the route of the Panama Canal mediates the great Anthracite Strike and resolves the Venezuela Crisis of 1902 1903 with such masterful secrecy that the world at large is unaware how near the United States and Germany have come to war During an epic national tour in the spring of 1903 TR's conservation philosophy his single greatest gift to posterity comes into full

flower He also bestows on countless Americans the richness of a personality without parallel evangelical and passionate yet lusty and funny adroitly political winningly natural intellectually overwhelming The most famous father of his time he is adored by his six children although beautiful willful Princess Alice rebelled against him and accepted as an honorary member of the White House Gang of seditious small boys Theodore Rex full of cinematic detail moves with the exhilarating pace of a novel yet it rides on a granite base of scholarship TR s own voice is constantly heard as the President was a gifted letter writer and raconteur Also heard are the many witticisms sometimes mocking yet always affectionate of such Roosevelt intimates as Henry Adams John Hay and Elihu Root Theodore is never sober said Adams only he is drunk with himself and not with rum TR s speed of thought and action and his total command of all aspects of presidential leadership from bureaucratic subterfuge to manipulation of the press make him all but invincible in 1904 when he wins a second term by a historic landslide Surprisingly this victory transforms him from a patrician conservative to a progressive responsible between 1905 and 1908 for a raft of enlightened legislation including the Pure Food and Employer Liability acts Even more surprising to critics who have caricatured TR as a swinger of the Big Stick is his emergence as a diplomat He wins the Nobel Peace Prize for bringing about an end to the Russo Japanese War in 1905 Interspersed with many stories of Rooseveltian triumphs are some bitter episodes notably a devastating lynching that remind us of America s deep prejudices and fears Theodore Rex does not attempt to justify TR s notorious action following the Brownsville Incident of 1906 his worst mistake as President but neither does this resolutely honest biography indulge in the easy wisdom of hindsight It is written throughout in real time reflecting the world as TR saw it By the final chapter as the great Teddy prepares to quit the White House in 1909 it will be a hard hearted reader who does not share the sentiment of Henry Adams The old house will seem dull and sad when my Theodore has gone

Accidental Presidents Jared Cohen, 2019-04-09 NEW YORK TIMES BESTSELLER The strength and prestige of the American presidency has waxed and waned since George Washington *Accidental Presidents* looks at eight men who came to the office without being elected to it It demonstrates how the character of the man in that powerful seat affects the nation and world Eight men have succeeded to the presidency when the incumbent died in office In one way or another they vastly changed our history Only Theodore Roosevelt would have been elected in his own right Only TR Truman Coolidge and LBJ were re elected John Tyler succeeded William Henry Harrison who died 30 days into his term He was kicked out of his party and became the first president threatened with impeachment Millard Fillmore succeeded esteemed General Zachary Taylor He immediately sacked the entire cabinet and delayed an inevitable Civil War by standing with Henry Clay s compromise of 1850 Andrew Johnson who succeeded our greatest president sided with remnants of the Confederacy in Reconstruction Chester Arthur the embodiment of the spoils system was so reviled as James Garfield s successor that he had to defend himself against plotting Garfield s assassination but he reformed the civil service Theodore Roosevelt broke up the trusts Calvin Coolidge silently cooled down the Harding scandals and preserved the White House for the Republican Herbert

Hoover and the Great Depression Truman surprised everybody when he succeeded the great FDR and proved an able and accomplished president Lyndon B Johnson was named to deliver Texas electorally He led the nation forward on Civil Rights but failed on Vietnam Accidental Presidents adds immeasurably to our understanding of the power and limits of the American presidency in critical times

Presidents by Fate F. Martin Harmon,2019-08-21 Throughout the history of the United States only nine men were elevated to the White House by the death or failure of a sitting president and their legacies are as mixed as their circumstances This book evaluates the similarities and distinct differences of these men their varying degrees of ambition and readiness and how each handled their suddenly enormous duties Some became presidential legends while others are counted among the worst Their shared stories shed light on America s political development during the last two centuries

Theodore Rex Digest J. J. Gardner,1995 He s Teddy Rex dinosaur detective and he s out to crack his first big case There s a dead dino and it s up to Teddy to find the culprit But it s not so easy to go undercover when you re eight feet tall and bright green

White House Wild Child Shelley Fraser Mickle,2023-10-03 The fascinating historical biography of America s most memorable first daughter Alice Roosevelt whose free spirit and status made her the Princess Diana and Jackie O of the early 20th century Perfect for readers of female centric biographies like *The Daughters of Yalta* and for fans of the glitzy drama of *The Gilded Age* and *The Crown* I can do one of two things I can be President of the United States or I can control Alice I cannot possibly do both Theodore Roosevelt During Theodore Roosevelt s presidency from 1901 to 1909 when Mark Twain called him the most popular man in America his daughter Alice Roosevelt mesmerized the world with her antics and beauty Alice was known for carrying a gun a copy of the Constitution and a green snake in her purse When her father told her she couldn t smoke under his roof she climbed to the top of the White House and smoked on the roof She became the most famous woman in America and even the world predating Princess Diana and Jackie Kennedy as an object of public obsession As her celebrity grew she continued to buck tradition push against social norms and pull political sway behind the curtain of privilege and access She was known for her acerbic wit and outspoken tendencies which hypnotized both the social and political world Brilliantly researched and powerfully told Shelley Fraser Mickle places the reader in the time and place of Alice and asks what would it have been like to be a strong willed powerful woman of that day Drawn from primary and secondary sources Alice s life comes into focus in this historical celebration of an extraordinary woman ahead of her time With wit and fresh insight Shelley Fraser Mickle brings vividly to life one of the most colorful figures of the 20th Century the most glamorous rebellious and contentious woman in the United States and for a time the most famous Jonathan Alter former editor for Newsweek author of *His Very Best Jimmy Carter a Life* What a tale The history of the Roosevelts has been predominantly about men now it s Alice s turn Diana Williams WABC news anchor

Presidential Courage Michael R. Beschloss,2008-02-05 Presidential Courage is a brilliantly readable and inspiring saga about crucial times in American history when a courageous President dramatically changed our future Like Beschloss s previous book *The Conquerors* it was

a New York Times bestseller for months With surprising new sources and a dazzling command of history and human character Beschloss brings to life those flawed complex men and their wives families friends and foes Never have we had a more intimate behind the scenes view of Presidents coping with the supreme dilemmas of their lives For Americans who must choose Presidents and assess them once they are elected Presidential Courage sets a lasting standard by showing us the best in Presidential leadership

Contemporary American Plays Arthur Hobson Quinn,1923 **"And So They Were Married"** Jesse Lynch Williams,1914 *Catalogue* University of North Dakota,1927 **Presidential Leadership** Nick Ragone,2011-02-01 Why did George Washington personally lead the militia that put down the Whiskey Rebellion What drove Harry Truman to fire Douglas MacArthur at the height of the Korean War Did Gerald Ford know that his pardon of Richard Nixon could very well end his political career Why did John F Kennedy challenge America to reach for the moon This book examines more than a dozen major decisions of the presidency Truman dropping the Bomb Nixon going to China Jefferson purchasing the Louisiana Territory and the stories behind them Told in a crisp narrative writing style the author brings the presidency and its big decisions to life with his unique storytelling and pacing and highlights the lessons to be learned Some of the decisions are well known others are not But they re all told in a way that will keep you turning the pages to learn more Each chapter stands as a study in leadership and decision making By the end of the book you ll be an expert in the men and the decisions that shaped the country and the lessons that can be learned from their leadership and often their courage With a concluding chapter that assesses President Obama s first year in office and reviews his major decisions this lively illuminating book will appeal to history buffs devotees of politics students and anyone interested in decision making at the highest and most influential level
