Truth About Addiction And Recovery:

Truth About Addiction and Recovery Stanton Peele, Archie Brodsky, Mary Arnold, 1992-03-15 In this revolutionary analysis of addiction Peele and Brodsky draw on years of research to refute the contention that addictions are biologically based diseases that last a lifetime Examining addiction within the context of people s lives they show that addictive behavior is a way of coping with situational stress and that it can be overcome without medical treatment or 12 step groups

Cannabis Mastermind Press, 2020-11-05 Life can be crazy Life can be stressful Life can be hard to take These are all truths that are just simple facts Because life can be difficult people look for different ways to cope with the stress that life brings Regrettably drugs have become the most prominent coping mechanism that people use to deal with life s problems There are many reasons why people begin using drugs They are looking for a way out an escape a way to forget life for just a little while Methamphetamine use has grown to alarming rates in the United States with over 25 percent of the population addicted to this drug Twenty three percent of high school seniors use marijuana on a regular basis Forty three percent of adults report having a problem with alcohol The statistics also reveal that drug use including alcohol and cigarettes is beginning earlier in life Children are experimenting with drugs as young as 10 years old and many middle schoolers have already had their first taste of alcohol by seventh grade What are even more disturbing are the health effects that drug use and abuse causes Last year alone there were over 20 000 alcohol induced deaths not including car accidents and deaths due to heroin overdoses have increased by two percent in just the course of one year Drug addiction doesn t discriminate either Many famous celebrities have struggled with addiction as has the common man You can be a regular housewife or the head of a company and find yourself struggling with drug dependence What can you do The answer is a lot If you find yourself with a problem the time to take action is now You could check yourself into a rehabilitation facility but you can also try some self help steps first This book is intended for both the person who is addicted and for those who have a loved one with addiction We ll look at the signs of a problem and address the various drugs that are most likely to cause dependence Then with the help of experts we ll give you some strategies that you can try to get you back on the road to a drug free life You can overcome your dependence on drugs It won t be easy but you can do it But you have to start now Don t be addicted anymore Start your journey today

The Freedom Model for Addictions Steven Slate ,Mark W. Scheeren, Michelle L. Dunbar, 2017-11-20

The Sober Truth Lance Dodes, Zachary Dodes, 2015-03-17 A powerful expos of 12 step programs like Alcoholics Anonymous and how this failed addiction treatment model came to dominate America A humane science based global view of addiction an essential bracing critique of the rehab industry Gabor Mat M D author of *In The Realm of Hungry Ghosts* Alcoholics Anonymous has become so infused in our society that it is practically synonymous with addiction recovery Yet the evidence shows that AA has only a 5 10 percent success rate hardly better than no treatment at all Despite this doctors employers and judges regularly refer addicted people to treatment programs and rehab facilities based on the 12 step model In *The Sober Truth* acclaimed addiction specialist Dr Lance Dodes exposes the deeply flawed science that the 12 step industry has used to support its programs Dr Dodes analyzes dozens of studies to reveal a startling pattern of errors misjudgments and biases He also pores over the research to highlight the best peer reviewed studies available and discovers that they reach a grim consensus on the program s overall success But *The Sober Truth* is more than a book about addiction It is also a book about science and how and why AA and rehab became so popular despite the discouraging data Drawing from thirty five years of clinical practice and firsthand accounts submitted by addicts Dr Dodes explores the entire story of AA s rise from its origins in early fundamentalist religious and mystical beliefs to its present day place of privilege in politics and media A powerful response to the monopoly of the 12 step program and the myth that they

are a universal solution to addiction The Sober Truth offers new and actionable information for addicts their families and medical providers and lays out better ways to understand addiction for those seeking a more effective and compassionate approach to this treatable problem
