The Practical Guide to Weekend Parenting Doug Hewitt, 2006-09-19 Creative Affordable and Fun Weekend Activities Whether you're divorced, separated, or just working long hours, it's getting harder and harder to spend one-on-one time with your children. Instead of turning on the television and walking away, there's now an easy way to strengthen your parent-child ties: take charge and teach and have fun with your kids all at the same time. Written by a divorced father of three, The Practical Guide to Weekend Parenting offers a no-nonsense approach to parenting and gives sensible advice from a parent who has walked in your shoes. Its collection of 101 projects is designed to help you actively raise, nurture, and guide your children. Each adventure is packed with suggestions to help you interact with your children. Lists of conversation starters to promote bonding. An aside to the parents with practical advice from the trenches. Activities included for every interest. Includes a variety of easy-to-search chapters. Fun facts to share with the kids and more. Filled with author anecdotes and including activities all ages can enjoy. The Practical Guide to Weekend Parenting will make sure you make the most of every moment with your kids.

Nolo's Essential Guide to Child Custody and Support Emily Doskow, 2020-11-24 When you're getting divorced, you can make a tough time easier for your children and yourself if you work with the other parent to draw up a custody plan and agree on child support. Doskow shows you how negotiation and mediation can keep costs down, where to find your state's child support guidelines, how to enforce and change custody and support orders, what military families need to know, and much more.

**How to Behave So Your Children Will, Too!** Sal Severe, 2003-07-29 In this eye-opening resource, Dr. Sal Severe taps his twenty-five years of experience as a school psychologist and parenting workshop leader to show that a child's behavior is often a reflection of the parent's behavior, and by making changes themselves, parents can achieve dramatic results in their children. Instead of focusing on what children do wrong, Dr. Severe teaches parents to emphasize the positive, to be consistent, and to be more patient. He shows parents how to teach their children to behave, listen, and be more cooperative, and how moms and dads can manage their own anger and prevent arguments and power struggles. Packed with concrete strategies for dealing with homework hassles, ending tantrums, and other common problems, Dr. Severe's empathetic common-sense book will be welcome everywhere.
