Family Portraits Ken Carroll,2010-06-29 The room was silent as all the adults stared him into the floor With carefully enunciated words that whipped across the room his father spoke the almost a whisper voice louder than any shout could have been You re killing me Aaron You re killing me I do my best for you Mom does her best for you And right now I m ashamed to say you re my son You might as well put a bullet in my head cause that s what you re doing The room was as silent as a morgue as John stormed out leaving the door open Hours later Aaron stood there staring at the computer screen

He stood there staring at the floor He stood there staring at the gun And it was all so clear It was clear but white at the same time as if in a sharp brilliantly white haze His father was dead John Farmer had been struggling lately but no one suspected how many problems riddled this seemingly perfect Christian man and his family His sudden death causes everyone he has known to question their role in this tragedy none more so than his family who know the secrets of his heart Or do they As the family begins breaking apart and blame is assigned John s wife uncovers a secret computer journal he kept in a laptop titled Family Portraits The family soon receives an intimate glimpse into the depths of a soul hidden from everyone What will the Family Portraits reveal Discover for yourself in this captivating thought provoking page turner The truth will astound you
