Welcome Darkness:

Welcome to Linden, Where Almost Everyone Is a Bubble or so off Plumb Kathi Gardner, 2015-04-23 Coming into town from the south on Highway 12 you'll pass a monument of Christ with His arms outstretched to bless the travelers a statue the locals call the Flying Jesus Back in the forties a bunch of the city council members decided it might act as a reminder to slow folks down a little since they didn't pay much attention to the speed limit signs Nothing much has changed in Linden in the past twenty five years The hooligans who terrorize senior citizens on Main Street have graduated from roller skates to roller blades but Paulies Theatre still changes features once every three weeks on Thursday and most afternoons if business is slow you can catch Bud Newton behind the shop at work on his latest masterpiece an eight foot replica of Elvis made of used mufflers welded together Hell be glad to show you some of his other creations the Christmas tableau is particularly touching

Welcome to The Haven Cate Dean, 2014-11-25 Alex has recovered from her deadly battle with the woman who took Sam Now she is helping run the underground haven and learning to live with the inhuman residents When one of the residents is murdered suspicion falls on Sam And her greatest fear starts happening again that she'll lose him This time for good As the body count goes up Alex is determined to find the real killer no matter what the cost For her the cost may end up being her life Includes Finding Grace book 2 of The Remarkable Life of Zach Wiche Continued *Me and We* Leonard Sweet, 2014-09-16 When Christians answer the clarion call to be missional too often it is primarily to feel good or to grow in their own faith But ultimately we remain unsatisfied because in the end it's still about me my church my faith my salvation Then sometimes inspiration dries up We forget that Jesus is the head of the Church which exists at God's pleasure and disposal God is birthing a new Social Gospel meant to reclaim mission and justice ministries as prime directives for the Church and not with the naive thinking of the 19th or 20th centuries What are the characteristics of this new Social Gospel There is an expectation that mission is with and not for others There is an acknowledgement that tolerance is not a dirty word and we have to find a peaceable way to live in our intercultural world It carries the Wesleyan impulse to change the world by working to build God's kingdom in this world It offers the grace and salvation of Christ to those in need believing that none are free unless all are free It means that we feed the hungry educate the poor and equip the powerless in tangible ways
