Brewster Willcox,2012-10-05 WJTOW suggests that we might be better off paying less attention to Jesus Second Coming and more to his sense of irony and his outrage with religious bigotry The questions people need to ask about this man of Nazareth have a lot to do with recognizing how different our world is from the one Jesus was born into and understood so intimately Its probably true that the 21st century world with all of its problems and troubles is a much better world than the first century middle east that Jesus knew and we shouldnt be ashamed to come to Jesus with all this package of Darwin and Einstein Hubble telescopes and Mars landers medical miracles and quantum physics Our modern souls are after all all we have to give to him This book looks at a handful of questions that thoughtful Christians have raised with the author and a couple of his own in more than 50 years in serving parishes in the US and Canada The author takes a common sense approach to these issues and assumes that Jesus knew what he has talking about Moreover it still makes sense even in a modern space age setting Come and Welcome to Jesus Christ - Scholar's Choice Edition John Bunyan,2015-02-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Come and Welcome to Jesus Christ* John Bunyan,2025-07-07 First published in 1681 Come and Welcome to Jesus Christ is John Bunyan s plain invitation to every weary sinner who wonders whether Christ will receive them Drawing on John 6 37 Bunyan traces a clear biblical path from guilt to grace proving that anyone who comes to the Son will never be turned away His reasoning is direct his illustrations vivid and his comfort firmly anchored in Scripture This refreshed edition retains Bunyan s full text but updates the language to make it accessible to twenty first century readers Whether you are exploring Christian faith for the first time or simply need a reminder of Christ s open door this classic offers a straightforward call to come believe and rest **Welcome Home** Stephen D.
