Humanizing work and work Environment (HWWE 2016) Dr Lakhwinder Pal Singh, Dr Sarbjit Singh, Prof Arvind Bhardwaj, 2018-02-04 Proceedings of 14th International Conference on Humanizing work and work Environment

Partnerships for Mental Health Laura Weiss Roberts, Daryn Reicherter, Steven Adelsheim, Shashank V. Joshi, 2015-09-10
This unique title richly tells the stories of partnership and collaboration. The narrative voice of each chapter derives from the people who tell their story: immigrants, survivors of torture, mental health experts, urban people, rural people, teachers, doctors, attorneys, students, and international leaders. These authors provide emotionally powerful tales that move, affect, and encourage readers. The collection of narratives is inspired by these individuals who believe that collaboration can bring authentic mutualism, promise, keeping, and innovation to address the hardest problems we face as a world community. Partnerships for Mental Health: Narratives of Community and Academic Collaboration is about the stories of innovation and collaboration occurring between community and academic partners who have undertaken among the very hardest of problems, such as the care of veterans with ravaging posttraumatic stress disorder, the care of homeless individuals with HIV, addiction, and mental illness, the care of caregivers for Hispanic family members with Alzheimer's disease, the prevention of illness in impoverished, vulnerable youth, and the rescue of profoundly mentally ill earthquake survivors. In addition, this title not only also tells the story of identity formation of early career physicians with a calling to work with distinct populations for whom suffering and stigma are immense, but also the stories of the special bonds that develop and are strengthened between community members and academic colleagues and ultimately between friends. A truly indispensable contribution to the literature, this captivating and novel title illustrates and inspires collaboration in order to bring about better health outcomes for people affected by mental health issues in communities throughout the world. **Management** Arthur G. Moments That Matter Rabbi Laura Geller, Rabbi Beth Lieberman, 2025-10-15 Moments That Matter Marking Transitions in Midlife and Beyond offers a fresh perspective on life's later chapters transforming them into opportunities for personal growth, meaning, and renewal. With warmth and wisdom, Rabbi Laura Geller and Rabbi Beth Lieberman explore the unique challenges and joys of midlife and beyond, from launching children to launching oneself anew, navigating retirement, downsizing, and moving, facing illness and caregiving, and embracing love at any age. The chapters weave Jewish wisdom with practical rituals interspersed with personal stories and ways to adapt each ceremony for a communal setting. Moments That Matter empowers readers to embrace these milestones with creativity and intention, offering tools to craft personalized and deeply moving rituals that honor the complexity of this rich stage of life. This book is beautiful, tender, and insightful, filled with new-old wisdom on endings and blessed beginnings. At the heart of it all, Rabbis Geller and Lieberman invite us to honor the deep connections that sustain us as human beings, pay attention to the in-between moments, and find a ritual language that speaks directly to the heart. I could imagine no better guides through the landscape of loss, love, and renewed life. Rabbi Sharon Brous, author of *The Amen Effect: Ancient Wisdom to Mend Our Broken Hearts* and *World*, **Moments That Matter** is a beautiful and practical guide, rich with wise and poetic passages and stories pondering the power of the third chapter or encore years. I found myself lingering on many pages, reflecting and finding inspiration. With skillful guidance, this book offers meaningful rituals to honor transitions, empowering readers to embrace life with grace, purpose, and renewed vitality. Rabbi Karyn D. Kedar, author of *Unfolding: A High Holy Day Companion*, **Why** should our later years be a time of diminishment and loss? Why not discovery, engagement, and fulfillment? This marvelous book of celebrations, markers, and rituals reveals all the poetry and power of these years. **Moments That Matter** is a gift to all who truly believe, along with Robert Browning, that the best is yet to be, the last of life for which the first was made. Rabbi Ed Feinstein, Senior Rabbi, Valley Beth Shalom, Encino, CA. Deeply founded in Jewish tradition, **Moments That Matter** is also inviting to people of many other places of identity, religious or not. The deft combination of sacred text, accessible action, and clear instruction is a valuable guide for all who are faced with life's inevitable progression. Clergy and laity, communities and individuals will all find it a great gift. Rev. Dr. Elizabeth Nordquist, Presbyterian pastor and spiritual director.
