**Handbook of Research on Global Institutional Roles for Inclusive Development** Baporikar, Neeta,2022-06-24

With the history of multilateral governance and the impact of the global pandemic there is no doubt that we are at a transition between the system that marked the decades after the Second World War and a more extensive system of international governance that will characterize the world for the next generation That system may keep the long standing promise to serve the world s least advantaged or it may serve to marginalize them further For more than a century and a half the most powerful national governments have created institutions of multilateral governance that promise to make a more inclusive world a world serving women working people the colonized the backward the destitute and the despised That promise and the real impact need deliberation and discussion The Handbook of Research on Global Institutional Roles for Inclusive Development examines the concepts that have powerfully influenced development policy and more broadly examines the role of ideas in these institutions and how they have affected the current development discourse It enhances the understanding of how these ideas travel within systems and how they are translated into policy modified distorted or resisted Covering topics such as ethical consumption academic migration and sustainable global capitalism this book is an essential resource for government officials activists management academicians researchers students and educators of higher education and educational administration and faculty

**Research Handbook on Plastics Regulation** Elizabeth A.

Kirk,Naporn Popattanachai,Richard A. Barnes,Eva R. van der Marel,2024-12-09 This insightful Research Handbook addresses whether international national and regional laws are able to address the challenges plastics pose Expert contributors demonstrate that many laws on this topic are fragmented and advocate for the development of systemic approaches which engage a broad range of actors to ensure effective regulation moving forward
