*Something Rotten* Alan M. Gratz, 2009-01-08 Denmark Tennessee stinks The smell hits Horatio Wilkes the moment he pulls into town to visit his best friend Hamilton Prince And it s not just the paper plant and the polluted river that s stinking up Denmark Hamilton s father has been poisoned and the killer is still at large Why Because nobody believes that Rex Prince was murdered Nobody except Horatio and Hamilton Now they need to find the killer but it won t be easy It seems like everyone in Denmark is a suspect Motive means opportunity they all have them But who among them has committed murder most foul **The Routledge Companion to the Contemporary Musical** Jessica Sternfeld, Elizabeth L.

Wollman, 2019-08-16 The Routledge Companion to the Contemporary Musical is dedicated to the musical s evolving relationship to American culture in the late twentieth and early twenty first centuries In the past decade and a half international scholars from an ever widening number of disciplines and specializations have been actively contributing to the interdisciplinary field of musical theater studies Musicals have served not only to mirror the sociopolitical economic and cultural tenor of the times but have helped shape and influence it in America and across the globe a genre that may seem at first glance light hearted and escapist serves also as a bold commentary on society Forty four essays examine the contemporary musical as an ever shifting product of an ever changing culture This volume sheds new light on the American musical as a thriving contemporary performing arts genre one that could have died out in the post Tin Pan Alley era but instead has managed to remain culturally viable and influential in part by newly embracing a series of complex contradictions At present the American musical is a live localized old fashioned genre that has simultaneously developed into an increasingly globalized tech savvy intensely mediated mass entertainment form Similarly as it has become increasingly international in its scope and appeal the stage musical has also become more firmly rooted to Broadway the idea if not the place and thus branded as a quintessentially American entertainment **Something Rotten!**, 2015 *Broadway Musicals*

RAP-NOTES Mr. Z, 2012-10-15 Rap Notes Shakespeare's Greatest Hits Volume 1 is a short summary of five of the greatest plays ever written at least according to my favorite high school English teacher Hamlet Macbeth King Lear Romeo and Juliet and Midsummer Night's Dream But these are highly unusual summaries they're raps They all rhyme and they're meant to be read with a funky beat Some people like downloading the MP3s of the raps so they can read and rap along And some people just want to make up their own beats in their head without help Either way this book is a great introduction to anyone who's ever been a teensy little bit scared around Shakespeare's language I hope this book will let you get to the heart of these classic stories and into the minds and hearts of their characters And I hope you learn to love the Bard as much as I do and see that Shakespeare wasn't just a mega genius he was cool

*Early American Proverbs and Proverbial Phrases* Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor's *Dictionary of American Proverbs and Proverbial Phrases 1820-1880* It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting's authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what's the real thing and what is spurious
