Son Of The Gods:

The Maleness of Jesus Neil H. Williams, 2011-01-01 At the center of Christianity is Jesus of Nazareth whose maleness is used by many to justify the subordination of women and to emphasize that men rather than women better represent Jesus This raises a number of questions that are the subject of this book What is the significance of Jesus maleness Does it reveal the character of God Is it foundational for the gospel Is Jesus maleness associated with an ongoing created order of male priority Our answers will affect Christianity's task of love justice and reconciliation in a world that is characterized by the global marginalization oppression and abuse of women

An Infinite God and a Father-Son God Kenan Osborne OFM, 2019-05-29 In this last work Kenan Osborne addresses the intersection between new scientific insights into the origin of the human species and the growing awareness of a multicultural and multi religious world with our contemporary understanding of God After a review of current presentations of Trinitarian theology he analyzes in detail the biblical record for the names of God and develops a cogent description of the thinking about God in the first six centuries Complementing his 2015 volume *The Infinity of God and A Finite World A Franciscan Approach* this present work challenges theologians and believers in two distinct ways Do the terms Father and Son have any essential meaning for divinity From a human standpoint God is essentially neither a Father nor a Son Nor do these two words have some exclusive meaning when they refer to divinity What then do we mean when we talk about God Second in many theological textbooks the term infinite is considered as an attribute of God Infinity is in no way an attribute even a divine attribute It is rather an essential description of God as the Franciscan philosophical theologian John Duns Scotus argues And if this is so can we really understand God or are all our views and descriptions of an infinite God partial insights into a transcendent infinite God who embraces all human creatures from the beginning of homo sapiens sapiens to the present

The Book of Daniel Samuel Rolles Driver, 1900 *The God Man* Amzi Clarence Dixon, 1891 A Son Of The Gods Ambrose Bierce, Father-Son God's Word Are One David Lee Keller, 2024-09-10 And further my son be admonished by these Of making many books there is no end and much study is wearisome to the flesh Let us hear the conclusion of the whole matter Fear God and keep His commandments For this is man's all For God will bring every work into judgment Including every secret thing Whether good or evil Ecclesiastes 12 12 14 To fear God you must first believe there is a God To keep God's commandments you must first have a love to know God's heart and His will for all people Only then with love for God and love for your neighbor will you have a heart to keep God's commandments Place your faith and your trust in the spoken words of the Father Son Many Christians seem to be focused on what they see as a faith requirement for salvation and go no further They don't see a need to love God nor to walk in His ways no need to imitate Christ The Father and Son yearn for a relationship through this life and the next Don't worry about salvation after death pursue a walk with God in the present and do your best to imitate Christ in this life Peace joy and happiness is in the walk with the Creator today In that walk with the Father Son trials will continue to come but now you will

have a strong hand at your side And that strong hand will carry you through this life and the next May you have a love and a joy to please the Creator and the provider of salvation through His Son May you have a faithfulness that comes from the heart
