Erickson,2016-09-24 This comprehensive journal in which to write the memories of your life is perfect to pass on to future generations or just to spark some ideas that you can write about It s a must have for everyone **Memory Makers** Jan S. Smith,James Thayne Covert,1988-07 Parent children activities including family fun vacations holidays school cooking and special occasions [You Can Always Come Home](#) Laura Jean Bell,2024-10-15 Cozy up with *You Can Always Come Home* a charming compilation of short stories serving as a reminder that there is always hope amidst life s challenges From nostalgic church potlucks to delightful encounters with quirky neighbors these tales will touch your soul reminding you of who you are and rekindling the hope hidden in long forgotten memories In this fast paced world of constant demands these stories offer a sanctuary of solace to pause and reflect on what matters most The good stuff the God stuff They capture those transformative moments that turn shattered fragments into something breathtakingly beautiful No matter how hard or scary life becomes hope glimmers in the moments where the Lord s healing touch shines through the fractures to mend the brokenness Come open the sock drawer and dig around for the memories that got stuffed in there long ago waiting to rekindle your hope and bring you back to a place of belonging *The Memory Maker* B. A. Foerster,2021-12-08 Imagine eating a dish that contained the magical capacity to create a memory into a reality This is what happened to Claudia after consuming Adrian s gourmet macaroni and cheese Unfortunately the memory she created was something so vile and abhorrently disgusting one wonders if the enjoyment of the delicious meal was worth the outcome Claudia recently having lost her family home in a fire thinks her life is finally headed in a positive direction when she starts a new job at The Plentiful Pantry a small friendly takeout restaurant It is here at the Pantry where she meets Adrian Jerry chef extraordinaire and owner of the establishment Claudia s optimism is short lived though when the memory that is triggered is that of a grotesque gurglio Witness as she compulsively begins feeding leftovers to an ever increasing number of gurglios that congregate each evening by the Pantry s greenhouse Finally Claudia admits to herself that this nightly feeding frenzy is out of control Desperate she contacts Julia Byerly to obtain poisonous oleander In the meantime she wrestles with the guilt that she is jeopardizing Adrian s well being How can she confess to Adrian one of the kindest people she knows that she has

been luring the monsters by feeding them his leftovers This third and final book of The Grotesque Gurglios Trilogy The Memory Maker reveals yet another overwhelming challenge in attempts to annihilate these creatures Perhaps this time the beasts will be gone for good
