

The Partisans

Robert J. Donia

The Partisans:

The Partisans and War Jože Pirjevec, 2024-12-09 This book explores the rise of two resistance movements in Yugoslavia after its invasion and partition by Germany Italy Hungary and Bulgaria in April 1941 one led by Draža Mihailović's Chetniks supporters of the Serb monarchy and the Partisans led by Josip Broz Tito and his Communist Party Based on research by the author in Yugoslav German British American Italian and Russian archives and libraries including the unpublished war memoirs of Josip Broz Tito the book traces the causes of the April War the ensuing uprising in Western Serbia against the occupiers and its aftermath Tensions were inevitable between the Chetniks who sought the restoration of the old regime and the Partisans who wanted not only the liberation of the country but also social revolution Pirjevec situates the Partisan struggle within the framework of Central Europe the Balkans and the Mediterranean dominated by the Axis powers and the Anglo American and Soviet Allies who would all take strategic interest in the struggle by 1943 as a link between the Eastern and the Western Fronts and for longer term control of the Balkans This volume will appeal to readers interested in the lesser known chapters of the Second World War and the history of Yugoslavia

Hitler's War Against the Partisans During Operation Barbarossa Antonio J Muñoz, 2025-04-28 From the start of the war on the Eastern Front Hitler's Ostheer his Eastern Army would wage a Vernichtungskrieg or war of annihilation in the East Never before had such a wide reaching campaign been fought Preparations for Germany's invasion of the Soviet Union had included the drawing up of plans and allocation of resources to secure the newly conquered territories These plans included the premeditated murder of many innocent civilians Adolf Hitler said as much when in July 1941 shortly after Stalin ordered the formation of partisans he told his Army High Command This partisan war has some advantage for us it enables us to eradicate everyone who opposes us Anticipating resistance to Nazi occupation and rule Hitler instructed the Ostheer to act ruthlessly not only on the front lines but in the rear areas as well When in July 1941 Stalin ordered partisan forces to be created the stage was therefore set for the largest and most savage conflict ever waged between a modern military force and a guerrilla army The scale of the partisan and anti partisan war on the Eastern Front was as costly and bitterly fought as the struggle on the front lines themselves Employing thousands of primary source documents and scouring eight separate state archives in six countries over a twenty two year period Antonio J Muñoz has produced what can be described as a definitive account of this part of the war behind the front lines in the East during the invasion of the Soviet Union From the very beginning the Nazis fought this war ruthlessly by eliminating not only actual guerrillas but a good portion of the civilian population Employing dozens of wartime anti partisan operational instructions plus newly created detailed battle maps and full orders of battle Dr Muñoz brings this little known conflict behind the lines into focus for the very first time The war behind the lines is detailed by district This includes the Reichskommissariat Ostland region which comprised the Generalbezirk Estland Estonia Generalbezirk Lettland Latvia Generalbezirk Litauen Lithuania Generalbezirk Bialystok Northeastern Poland and

Generalbezirk Wei ruthenien Belarus The book also covers the guerrilla and anti partisan war in the Reichskommissariat Ukraine Ukraine region as well as in north central and southern Russia For Russia proper anti partisan operations against the guerrillas are broken down by army group area Not only are the operations described but the reader will also learn about guerrilla attacks and how the entire partisan movement grew from year to year and region to region Hitler s War Against the Partisans During Operation Barbarossa documents the whole of the beginning of the savage partisan war between June 1941 and the spring of 1942 Never before has every major and some minor anti guerrilla operation been described in such detail

Hitler's War Against the Partisans During the Kursk Offensive Antonio J Muñoz,2025-11-25 By the summer of 1943 the Soviet partisan forces had grown from small disorganized groups into a formidable fighting force Hitler still holding some advantages hoped to crush a Red Army salient near Kursk and shorten the front lines with a localized offensive However the Soviets anticipated the attack and built extensive defense lines to thwart it employing large numbers of partisans to disrupt German preparations The critical period of 1943 saw intense fighting behind German lines particularly during the Battle for the Rails in July and August Stalin s partisans worked relentlessly to block the flow of German supplies and troops forcing the Germans to contend with a growing insurgency Dr Antonio J Mu oz s book examines these guerrilla operations using German maps to detail partisan movements and the German response which included increasing anti partisan operations The year 1943 marked a turning point in the war on the Eastern Front While Stalingrad in 1942 revealed Germany s inability to win in Russia the failed Battle of Kursk in 1943 demonstrated the inevitable loss of the war The partisan efforts were so successful that by August 1943 only 80% of the trains carrying supplies reached Army Group Centre s front lines *The Story of the Partisans of Free Yugoslavia* Yugoslavia Emergency Committee (British),1944 **The Partisan Counter-Archive** Gal Kirn,2020-07-20 Mere decades after the dissolution of Yugoslavia the promise of European democracy seems to be out of joint What has become of the once shared memory of victory over fascism Historical revisionism and nationalist propaganda in the post Yugoslav context have tried to eradicate the legacy of partisan and socialist struggles while Yugonostalgia commodifies the partisan socialist past It is against these dominant archives that this book launches the partisan counter archive highlighting the symbolic power of artistic works that echo and envision partisan legacy and rupture It comprises a body of works that emerged either during the people s liberation struggle or in later socialist periods tracing a counter archival surplus and revolutionary remainder that invents alternative protocols of remembrance and commemoration The book covers rich counter archival material from partisan poems graphic works and photography to monuments and films and ends by describing the recent revisionist undoing of the partisan past It contributes to the Yugoslav politico aesthetic history of the oppressed as an alternative journey to the partisan past that retrieves revolutionary resources from the past for the present *The Nation* ,1920 **The Battle for Leningrad** David M.
