The Passionate Jesus Peter Wallace, Peter M. Wallace, 2012 A fresh and moving portrait of Jesus as a model for how to live more authentic honest and meaningful lives by fully experiencing our emotions in the love of God Many depictions of Jesus show him as a character who coolly and calmly floats above the grit and grime of human existence He doesn t hurt he doesn t fear he doesn t laugh and most tragically he doesn t love very passionately He seems not to feel at all But a closer look at the Bible reveals something surprisingly different In this eye opening spiritual study Peter Wallace examines Jesus s actions rather than just his teachings to uncover a passionate figure who was involved present connected honest and direct with others He was one who was deeply moved as the writer of John s gospel put it one who knew and embodied the emotions he felt and expressed them in honest clear and life giving ways Through Wallace s deeply personal insights and compelling stories and examples you will be encouraged to model this passionate Jesus by building personal authenticity in every area of your own life particularly in your self acceptance and self expression your relationships with others and above all your relationship with God

[The Passionate Journey](#) Marty A. Bullis, 2011-08-31 Society tells us we have the power and where with all to make it on our own The Passionate Journey runs counter to these voices of self sufficiency with a thoughtful collection of 47 Lenten devotions leading up to the most sacred time of the year Easter Through guided reflection Scripture reading journaling silence and prayer we are drawn into the peace that is generated by solitude and prompted to reorganize our priorities slow down and appreciate the ultimate sacrifice made by Christ on our behalf These well crafted devotional readings are divided into four 10 day sections with a special portion for Holy Week especially designed to help readers attend to Jesus s sacrifice and apply the message of the Passion to their life Additional helps are included in the appendix to help adapt the readings for small group or family devotions Even Christians whose faith traditions don t ordinarily include Lenten devotions will find these reflections a welcome retreat and will help connect their lives to Jesus s sacrificial story *Christian Ethics* Adolf Wuttke, 1873

Forgiveness, the Passionate Journey Flora Slosson Wuellner, 2001-08-01 Why does forgiveness so central in Jesus life and teaching seem much more difficult today Why are we so often told we should forgive but so seldom shown the steps toward forgiveness Forgiveness is a perilous and volatile subject because it is so deeply intertwined with our communal and individual wounds Flora Wuellner writes in the introduction She explores how Jesus Beatitudes promise us release from these wounds You are invited to begin your journey to forgiveness with these hope filled meditations on each of the Beatitudes Whether you have deep wounds or are worn down by a multitude of seemingly small grievances let Wuellner s unique insights into the Beatitudes introduce you to the renewed and healed life Jesus offers Each of the 11 chapters includes a guided meditation to help you bring the truth of Jesus words into your own life Discover an open door to new healed ways of relating to God others yourself the communities around you and future generations **Paul, the Passionate Scholar** John D. Rouse MA, 2014-11-03 This book is Gods Word prayerfully unfolding glimpses into the clarifying elements of the Greek text augmented by historical images of his times Designed to arouse believers and further deepen their Christian commitment it can change lives and augment Christian growth of lay readers The language of the NT Greek holds many keys for unlocking the riches of Gods palace In a special tour of each chapter one can marvel over stories of valor and tender moments of love lavishly displayed in rich flavors and stirring narratives that invigorate the soul *Virtuous or Villainess? The Image of the Royal Mother from the Early Medieval to the Early Modern Era* Carey Fleiner, Elena Woodacre, 2016-07-14 This collection addresses royal motherhood across Europe from both the medieval and Early Modern periods including in famous and not so famous royal mothers The essays in this collection reveal the complexities and the subtleties inherent in the role of royal mothers and challenges these traditional stereotypes The volume provides a fresh re evaluation of these women from those who have been given an almost saintly status to those who struggled against contemporary chronicles and propaganda that perpetuated the stereotypes associated with bad mothers these particular images of saintliness and wickedness have persisted right into the modern era This series of intriguing case studies reveals how royal mothers were perceived by their contemporaries and explores the motivation for the ways in which they are depicted in modern popular culture Taken together with the companion volume *Royal Mothers and their Ruling Children* this collection sheds new light on the important and challenging role of mothers within the framework of monarchy and at the epicenter of power *The Abingdon Bible Commentary* Frederick Carl Eiselen, Edwin Lewis, David George Downey, 1929 *The Outlook* , 1919 The Outlook Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1919 **The Light of the Ages** Myrtle Strode Jackson, 1925 The Downside Review , 1899 **The Living Age** , 1919 **Special preface** Adolf Wuttke, 1876 *The Treasury of David* Charles Haddon Spurgeon, 1871 **THE AMERICAN CHURCH REVIEW** HENRY MASON BAUM, 1885 *American Church Review* , 1885
