The Peace Negotiations:

The Peace Negotiations Robert Lansing, 2004-10 While we were still in Paris I felt and have felt increasingly ever since that you accepted my guidance and direction on questions with regard to which I had to instruct you only with increasing reluctance I must say that it would relieve me of embarrassment Mr Secretary the embarrassment of feeling your reluctance and divergence of judgment if you would give your present office up and afford me an opportunity to select some one whose mind would more willingly go along with mine These words are taken from the letter which President Wilson wrote to me on February 11 1920 On the following day I tendered my resignation as Secretary of State by a letter in which I said **The Peace Negotiations: A Personal Narrative** Robert Lansing, 2024-04-29 **The Peace Negotiations: A Personal Narrative** by Lansing offers a compelling firsthand account of the high stakes diplomacy that followed the devastation of World War I As a key figure in the peace talks Lansing provides an insider's perspective on the negotiations that shaped the post war world revealing the ambitions struggles and compromises that determined the fate of nations His narrative is both deeply personal and historically significant shedding light on the challenges of crafting a just and lasting peace Lansing's eyes readers are transported to the heart of international diplomacy where world leaders grappled with issues of self determination territorial disputes and the balance of power He candidly reflects on the ideological clashes and political maneuvering that defined the peace process offering an unfiltered view of figures such as Woodrow Wilson and Georges Clemenceau His narrative exposes the tensions between idealism and realpolitik illustrating the difficulties of translating lofty principles into practical agreements its core **Peace Negotiations: A Personal Narrative** is a study in leadership diplomacy and the human element behind history's most consequential decisions Lansing's account highlights not only the triumphs but also the disappointments of the peace talks revealing the inner workings of an event that shaped the course of the 20th century For historians political scholars and anyone interested in the complexities of global affairs this book is an essential read An absolute must read for anyone interested in diplomacy and history Lansing's firsthand account offers a unique window into the challenges of post war negotiations His writing is engaging insightful and filled with valuable lessons on leadership and international politics A fascinating and well documented narrative of the peace negotiations Lansing's perspective provides an excellent counterpoint to other accounts of the Treaty of Versailles Some parts are dense with political details but overall it's a great read for history enthusiasts This book offers an in depth look at the struggles behind peace negotiations after World War I Lansing's analysis of political rivalries and diplomatic strategies is compelling though some sections felt a bit slow Nevertheless a valuable resource for understanding this crucial period While Lansing's insights into the peace process are valuable I found the writing style somewhat dry in parts The historical detail is excellent but I would have preferred a more engaging narrative Still an important book for those studying diplomacy Brilliant and thought provoking Lansing provides an insider's perspective on one of history's most significant diplomatic efforts His reflections on power ambition and

compromise are timeless making this book not just a historical document but a lesson in modern politics **The Peace Negotiations** Robert Lansing,2020-02-05 It is with extreme reluctance as the reader will understand that I make any reference to the conference which the President held with the American Commissioners at the Hotel Crillon on January 10 because of the personal nature of what occurred It would be far more agreeable to omit an account of this unpleasant episode But without referring to it I cannot satisfactorily explain the sudden decision I then reached to take no further part in the preparation or revision of the text of the Covenant of the League of Nations Without explanation my subsequent conduct would be and not without reason open to the charge of neglect of duty and possibly of disloyalty I do not feel called upon to rest under that suspicion or to remain silent when a brief statement of what occurred at that conference will disclose the reason for the cessation of my efforts to effect changes in the plan of world organization which the President had prepared In the circumstances there can be no impropriety in disclosing the truth as to the cause for a course of action when the course of action itself must be set forth to complete the record and to explain an ignorance of the subsequent negotiations regarding the League of Nations an ignorance which has been the subject of public comment **Jerusalem and the Peace**

my silence until now as to the divergence of judgment the differences of opinion and the consequent breach in the relations between President Wilson and myself They have been the subject of speculation and inference which have left uncertain the true record The time has come when a frank account of our differences can be given publicity without a charge being made of disloyalty to the Administration in power The President in his letter of February 11 1920 from which the quotation is made indicated my unwillingness to follow him in the course which he adopted at Paris but he does not specifically point out the particular subjects as to which we were not in accord It is unsatisfactory if not criticizable to leave the American people in doubt as to a disagreement between two of their official representatives upon a matter of so grave importance to the country as the negotiation of the Treaty of Versailles They are entitled to know the truth in order that they may pass judgment upon the merits of the differences which existed I am not willing that the present uncertainty as to the facts should continue Possibly some may think that I have remained silent too long If I have it has been only from a sense of obligation to an Administration of which I was so long a member It has not been through lack of desire to lay the record before the public

The Peace Negotiations Robert Lansing,2017-12-02 Excerpt from The Peace Negotiations A Personal Narrative These words are taken from the letter which President Wilson wrote to me on February 11 1920 On the following day I tendered my resignation as Secretary of State by a letter in which I said Ever since January 1919 I have been conscious Of the fact that you no longer were disposed to welcome my advice in matters pertaining to the negotiations in Paris to our foreign service or to international affairs in general Holding these views I would if I had consulted my personal inclination alone have resigned as Secretary Of State and as a Commissioner to Negotiate Peace I felt however that such a step might have been misinterpreted both at home and abroad and that it was my duty to cause you no embarrassment in carrying forward the great task in which you were then engaged The President was right in his impression that while we were still in Paris I had accepted his guidance and direction with reluctance It was as correct as my statement that as early as January 1919 I was conscious that he was no longer disposed to welcome my advice in matters pertaining to the peace negotiations at Paris About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Peace Negotiations / a Personal Narrative Robert Lansing,2014-12-08 criticizable to leave the American people in doubt as to a disagreement between two of their official representatives upon a matter of so grave importance to the country as the negotiation of the Treaty of Versailles They are entitled to know the truth in order that they may pass judgment upon the merits of the differences which existed I am not willing that the present uncertainty as
