**The Perfect Christian** E.N. Joy, 2012-06-26 Mother Doreen thought she'd never love again after the death of her first love so when a pastor from her hometown proposes she sees it as a gift from God As the founder of the Singles Ministry at the New Day Temple of Faith her departure is bittersweet for the single saints she'll be leaving behind Mother Doreen is a little nervous embarking on her new role as a pastor's wife but everyone agrees that she will make the perfect first lady After all no one has known her to be anything other than a perfect Christian When her imperfect past comes to the forefront however her image is shattered Even with the support of all the single ladies it's going to take the hand of God for this fairytale wedding to happen Otherwise Mother Doreen's happily ever after might quickly turn into a sadly never ever

**The Perfect Christian Family** Donald Balltzglier, 2025-06-07 *The Perfect Christian Family* is a memoir with an underlying theme It chronicles the journey of one family's struggle through the expectations of faith and the reality of the unexpected struggles of life The underlying message is that perceived perfection does not exist under any label or in any context and having a strong faith will not insulate us from unrelenting trouble unexpected trauma and problematic cultural influences The vulnerability in the story is designed to offset misconceptions about family devotion to faith and the results that are expected because of such pristine devotion The new emerging idea is that in acknowledging and embracing the fact that our struggles as families are very real we no longer strive for a crippling illusive ideal We embrace the real and then chase the ideal This is the place where true hope is found The book focuses on a decade in time in which all of our Christian beliefs and practices were challenged to their core We experienced failure of purpose repeated loss sickness and disease and a culmination of traumatic events that would eventually bring about cataclysmic change It was much like a category 5 hurricane which annihilates everything in its path leaving only the concrete foundations visible and intact The foundations for us were Jesus and his love During this time of chaotic imperfections we began to discover deeper much richer meanings to life and being a family of faith Valuing each other more than religious traditions became the priority Deference and sacrifice for one another became the goal and authentic love and respect emerged as the new house we were constructing The transparent story is told in hopes that many families would find the courage to embrace their beautiful imperfections find a resilient love for one another and fulfill their purpose among the families of the earth Enjoy
