The Perfect Will Of God:

Perfect Will Of God G Christian Weiss,2013-01-11 What is God s plan for my life is perhaps the most difficult question a Christian can raise The Perfect Will of God provides constructive guidelines for those needing help in this area In fifteen provocative chapters the reader discovers God has a definite plan for every believer It is possible to miss that plan God earnestly desires to reveal His will There are prerequisites to knowing God s will God provides three sources of guidance Mr Weiss has written earnestly and clearly There is no guesswork here nor are there any strange and fanciful utterances He has developed his theme constructively and intelligently His points are scripturally treated and effectively emphasized Much is said in few words yet with sufficient elucidation to drive home the teaching expounded The chapters are helpfully divided and the references and quotations from the Scriptures are numerous and fitting W S Hottel in the Foreword **God's Perfect Will** G. Campbell Morgan,2004-08-23 *Perfect Will Theology* J. Martin Bac,2010-04-16 This book revisits four early modern debates of Reformed theology concerning the will of God Reformed scholasticism advocated a particular relationship between divine knowledge will and power which was altered by Jesuits Remonstrants Descartes and Spinoza In all these debates modal categories like contingency and necessity play a prominent part Therefore these positions are evaluated with the help of modern modal logic including possible world semantics The final part of this study presents a systematic defense of the Reformed position which has been charged of theological determinism and of making God the author of sin In modern terms therefore the relation of divine and human freedom and the problem of evil are discussed **Key Truths and Applications for a Christ-Like Walk** Jennifer Hernandez,2015-03-27 This book was written so that readers can learn key truths in order to grow in the Lord Life can be busy chaotic and overwhelming Key Truths and Applications for a Christ Like Walk will help readers regain focus on Jesus to have a deeper relationship with the Lord It discusses promises in the Bible seeks the deconstruction of verses to see what God really meant for us to learn and teaches key points and practical applications so the words arent just read but internalized The books goal is to spur change through the truths found in Gods word **My Call: The Prophetic Vision** ZaraGrace Aghedo,2009-07 The dynamic of Church life is about to change Both in its role and the way the Church is perceived there will be a complete change On that day believers and unbelievers alike will be able to answer the question what does the Church of God mean for you It will mean the same thing for all who believe and represent the same thing to all people ZaraGrace For my house shall be called a house of prayer for all nations Isaiah 56 7 ZaraGrace was born on November 16th 1954 in Benin City Edo State Nigeria A graduate of English Language from the University of Lagos Lagos Nigeria she has been a teacher business woman and now a Prophet of God She is married with five children and one grandson I have been a wife mother teacher business woman and now a prophet This is the greatest calling of all ZaraGrace [The Evangelist](#) ,1899 **Walking With God** Zacharias Tane Fomum,2015-03-24 Walking with God is a profound exploration of the Holy Spirit s presence and workings within and through us The author Z T Fomum emphasizes

that every consecrated life becomes a channel for the release of supernatural power with consecration leading to a life rich in spiritual vitality The book underscores that all of God s power resides within us and through prayer knowledge of God s Word and a life consecrated to the Lord believers can unleash this inherent power The inheritance of baptism into the Holy Spirit is demystified with Fomum simplifying the process likening it to claiming what is rightfully ours He asserts that the implications of being filled with the Holy Spirit may lead to significant life changes including parting with former plans and embracing a new direction The exploration extends to God s permissive will where Fomum discusses the delay in judgment for those who deviate from God s perfect will The book delves into the characteristics of God s permissive will cautioning that apparent blessings in this state may mask underlying difficulties that manifest later Walking with God offers practical insights into the complexities of maintaining a daily touch with God

The Permanency of Marriage Michael G.

Berner,2025-07-30 The Permanency of Marriage takes the reader sequentially through the Bible explaining what the Bible says about marriage and its duration This book explores the common and not so common arguments for divorce and the Biblical response to each Berner grew up in the 1950s and 60s Before and during that time period marriage was for life Divorce was openly condemned and brought severe consequences from the church and from society In the 1960s as his pastors and teachers changed their position from divorce is wrong to God allows divorce for specific situations questions arose If God s character never changes how can divorce go from wrong to right If God s counsel never changes how can divorce go from wrong to acceptable If God s Word never changes how can divorce go from wrong to beneficial The Permanency of Marriage addresses these questions Berner s desire for answers was furthered when the issue of divorce and remarriage surfaced in the life of a very close personal friend Later this issue surfaced in his immediate family With his own marriage approaching his need to know was immensely personal When his wife obtained her divorce finding God s answers became a necessity Berner had to know exactly what God expected of him regardless of what family friends religious leaders and literature said His book provides answers to these questions As he studied for answers to the above questions Berner noticed those advocating for divorce and for divorce and remarriage used the same chapters and verses with slight differences to support their position Those advocating no divorce and no remarriage used a set collection of chapters and verses to defend their position Both groups ignored verses that did not fit their predetermined belief and behavior The Permanency of Marriage deals with the chapters and verses used by both groups And it deals with chapters and verses ignored by both groups Berner also noticed with almost no exceptions books articles sermons interviews etc on divorce and remarriage deliberately avoid discussing the consequences of both divorce and remarriage consequences on the husband wife on the children and on society in general The Permanency of Marriage includes this topic The Permanency of Marriage includes discussion on the causes of divorce past and present research on divorce and remarriage quotes from early church leaders time of Christ to 500 AD topics such as innocent party before salvation consider them dead and other issues and

topics that impact the duration of marriage and the rightness or wrongness of divorce and remarriage Berner states he cannot claim with certainty that his book exhausts everything God says on this topic He further states his book is a study not an entertaining read He asks for everyone to read every reference for themselves Each biblical reference is discussed in detail as it relates to marriage and as it relates to divorce Therefore there will be content repetition All bolding underlining and italics are his unless otherwise noted All verses are from the King James Bible unless otherwise noted Report of commission II: The church in the mission field ,1910 The Truth About the Truth ,Dr. Israel,2022-05-04 One of the most confusing hindrances of today s people of God and even the unsaved is the mystery of the Gentiles covenant with God and the law of Moses Gentile people were never under any Mosaic laws We were lost in the world but now Jesus came to redeem us and the Jews them from the law and us from sin or prodigal life Inside you will discover how easy and free life is in Christ
