The Spanish Armada

Colin Martin, Geoffrey Parker

The Spanish Armada:

The Spanish Armada of 1588 Eugene L. Rasor, 1993 This is the most comprehensive bibliography of the Spanish Armada of 1588 in recent years and the only up to date reference which provides a critical assessment of important source materials and an annotated bibliography of all genres of literature in Western languages Eugene Rasor describes 1114 titles and is the first to assess the vast collection of writings that have accompanied the recent 400th anniversary of the Armada campaign Cross references from the narrative to bibliographical entries and a full index make the guide easy for researchers at all levels to use in their study of naval and European history This authoritative reference covers one of the most important campaigns in naval history The first part of the book consists of a narrative assessing the literature on the Spanish Armada in terms of background history leaders preparations and tactics and the consequences of the conflict Source materials include all published books monographs official histories government publications dissertations bibliographies pertinent journals and periodicals and related articles collections of archival and research sources and their locations other significant holdings published and broadcasted interviews fiction drama and art English Spanish French Dutch and other Western languages are covered in a comprehensive manner and both English and Spanish perspectives are presented carefully The book also offers a short chronology The index cites authors and subjects both

The Spanish Armada Robert Hutchinson, 2014-06-10 Culminating with the Armada's ghastly shipwrecks in Ireland Hutchinson's day by day story of the Armada is a fine production for maritime history buffs Booklist After the accession of Elizabeth I in 1558 Protestant England was beset by the hostile Catholic powers of Europe including Spain In October 1585 King Philip II of Spain declared his intention to destroy Protestant England and began preparing invasion plans leading to an intense intelligence war between the two countries and culminating in the dramatic sea battles of 1588 Popular history dictates that the defeat of the Spanish Armada was a David versus Goliath victory snatched by plucky and outnumbered English forces In this tightly written and fascinating new history Robert Hutchinson explodes this myth revealing the true destroyers of the Spanish Armada inclement weather and bad luck Of the 125 Spanish ships that set sail against England only 60 limped home the rest wrecked or sank with barely a shot fired from their main armament Using everything from contemporary eyewitness accounts to papers held by the national archives in Spain and the United Kingdom Hutchinson re-creates one of history's most famous episodes in an entirely new way Contemporary readers will certainly enjoy this outstanding contribution Those with fond memories of Garrett Mattingly's classic *The Armada* 1959 will discover an equally enthralling successor Kirkus Reviews starred review In this engaging volume archeologist and historian Hutchinson sets out to overturn one of the cherished legends taught in British primary schools Hutchinson lays out ample evidence that the Spanish ships sank more from happenstance than heroism Publishers Weekly

The Spanish Armada Colin Martin, Geoffrey Parker, 1999 The Spanish Armada is a radical interpretation of why Philip II's Armada of 1588 failed so disastrously This new edition is based on a fresh examination of archival sources across

Europe combined with the archaeological investigation of some of its wrecked ships off the coasts of Scotland and Ireland The new edition has been extensively revised to incorporate ten further years of research by the authors and others and is likely to remain the standard account for years to come *The Spanish Armada* Jay Williams,2015-10-28 In the summer of 1588 a great body of ships sailed from Spain on a Crusade to restore England to Catholicism The ensuing events brought a Spanish word armada into the English language and created a host of legends Intrepid English sea dogs in tiny ships it was said had bravely faced down towering Spanish galleons Finally a storm sent by a vengeful God wrecked most of that proud fleet on its way home Award winning author Jay Williams sheds new light on the traditional picture Although the English were superior sailors the two fleets were evenly matched Moreover the battle emerges as the high point of a four year cold war between England and Spain Only when set in the context of a Europe bitterly divided between Catholics and Protestants can the contest be fully understood The personalities of Queen Elizabeth I of England and King Philip II of Spain and their commanders especially Francis Drake are also key to this dramatic story **The Battle of the Spanish Armada 1588** Robert F. Marx,1965 Places the greatest naval battle between England and Spain in historical context and explains how the unexpected British victory changed the course of history *The Spanish Armada* Angus Konstam,2009-07-21 With the launch of the Spanish Armada in 1588 England suffered its greatest threat since the Norman invasion some 500 years before This book details the background to the campaign the opposing fleets and the whole campaign including the Armada s disastrous return voyage around Scotland and Ireland **The Spanish Armada, A. D. 1588** Thomas Lathbury,1840

Armada 1588 John Barratt,2006-03-19 The political machinations the strategies and the hour by hour accounts of the war that locked Elizabeth I and Philip II in a battle for naval supremacy The defeat of the Spanish Armada is one of the turning points in English history and it was perhaps the defining episode in the long reigns of Elizabeth I of England and Philip II of Spain The running battle along the Channel between the nimble English ships and the lumbering Spanish galleons has achieved almost legendary status In this compelling new account John Barratt reconstructs the battle against the Armada in the concise clear Campaign Chronicles format which records the action in vivid detail day by day hour by hour He questions common assumptions about the battle and looks again at aspects of the action that have been debated or misunderstood Included are full orders of battle showing the chains of command and the effective strengths and fighting capabilities of the opposing fleets There is also an in depth analysis of the far reaching consequences of the wreck of Philip II s great enterprise

The Confident Hope of a Miracle Neil Hanson,2003 In the winter of 1587 the Spanish Armada the largest force of warships ever assembled set sail to crush the English navy penning at the execution of Mary Queen of Scots the event that precipitated the launching of the Armada Neil Hanson explores one of the most fascinating campaigns in European history over the eighteen months in which it developed From the first whispers of the threat against England the the English crown to the return of the battered remnants of the fleet to Spain it is a story rich in incident and intrigue which is told with a view

to giving the reader a breathtaking overview In this controversial study Hanson claims that the aim of Drake was not to sink the Armada ships but to disable and plunder them and that Queen Elizabeth was a monarch who left many of the survivors of the battle to die of disease or starvation and whose parsimony prevarication and cynicism left her unable to make crucial decisions Drawing on previously undiscovered personal papers Neil Hanson conveys in vivid detail how the highest and the lowest in the land fared in those turbulent months when the destiny of all Europe hung in the balance

The Spanish Armada Gillian Clements,2014 Brings alive some of the major events in British history **The Campaign of the Spanish Armada** Peter Kemp,1988 Gives the military and naval historian s view of the Spanish Armada of Philip II of Spain

The Spanish Armada Jay Williams,1966 [The Great Enterprise](#) Stephen Usherwood,1978 **The Spanish Armada** Jay Williams,2017-01-04 In the summer of 1588 a great body of ships sailed from Spain on a Crusade to restore England to Catholicism The ensuing events brought a Spanish word armada into the English language and created a host of legends Intrepid English sea dogs in tiny ships it was said had bravely faced down towering Spanish galleons Finally a storm sent by a vengeful God wrecked most of that proud fleet on its way home Award winning author Jay Williams sheds new light on the traditional picture Although the English were superior sailors the two fleets were evenly matched Moreover the battle emerges as the high point of a four year cold war between England and Spain Only when set in the context of a Europe bitterly divided between Catholics and Protestants can the contest be fully understood The personalities of Queen Elizabeth I of England and King Philip II of Spain and their commanders especially Francis Drake are also key to this dramatic story

The Spanish Armada Lorna Rea,1933 [The Spanish Armada](#) David Anderson,1988 Describes the religious and territorial conflict between England and Spain and discusses the events of 1588 when the Spanish Armada met the English navy in the English Channel *The Spanish Armada* Michael Lewis,1960 [The Spanish Armada](#) Felipe Fernández-Armesto,1988 The Spanish Armada challenges that view On the 400th anniversary of the famous sea battle it offers a more balanced account of the confrontation between the Spanish and British naval powers than has previously been presented According to Felipe Fernandez Armesto the British did not defeat the Spaniards rather the event should be seen as a failure of the Armada to invade British territory Miles from home with many of its crew sick and fighting in stormy waters the Spanish fleet did well Fernandez argues not to be completely routed Further he says it reflects badly on the British not to have inflicted more damage on such a disadvantaged opponent *The Defeat of the Spanish Armada* Garrett Mattingly,1959

The Armada Garrett Mattingly,2005 Chronicles events surrounding the 1588 defeat of the Spanish Armada and explains its effects on European history

As recognized, adventure as well as experience virtually lesson, amusement, as skillfully as pact can be gotten by just checking out a book **The Spanish Armada** in addition to it is not directly done, you could consent even more approximately this life, in the region of the world.

We meet the expense of you this proper as without difficulty as easy artifice to get those all. We come up with the money for The Spanish Armada and numerous ebook collections from fictions to scientific research in any way. along with them is this The Spanish Armada that can be your partner.
