The Yom Kippur War Walter J. Boyne,2003-09 First published by St Martin s Press under title The Two o clock war *Perception, Deception, and Surprise* Michael I. Handel,1976 The Yom Kippur War Sunday Times Sunday Times Insight Team,2002 This is the dramatic fully researched and definitive account of the war that almost destroyed Israel the Yom Kippur War Launched by Egypt s President Anwar Sadat and his primary ally Syria s President Hafiz al Asad on Yom Kippur the holiest day in the Jewish calendar the sudden attack took the Israeli Defense Force totally by surprise Here you will discover how such a colossal intelligence blunder one that almost caused the destruction of Israel happened It is a story of incredible courage and bravery of the soldiers on both sides of the high stakes diplomatic battles waged by the UN the United States and the Soviet Union even as troops and pilots from Israel and the nine Arab states attacking it shed their blood on the desert sands Military Lessons of the Yom Kippur War Martin Van Creveld,1975 *The Yom Kippur War: Israel and the Jewish people* Jerusalem Seminar on World Jewry and the Yom Kippur War,1974 Eighteen Days in October Uri Kaufman,2023-08-29 One of Financial Times Best History Books of 2023 Pacy and enthralling Financial Times Impressive an excellent work of history Commentary Tells the story brilliantly Senator Joseph I Lieberman Stimulating and insightful will no doubt find a permanent place on the Arab Israeli bookshelf Michael Oren New York Times bestselling author of Six Days of War October 2023 marks the 50th anniversary of the Yom Kippur War a conflict that shaped the modern Middle East The War was a trauma for Israel a dangerous superpower showdown and following the oil embargo a pivotal reordering of the global economic order The Jewish State came shockingly close to defeat A panicky cabinet meeting debated the use of nuclear weapons After the war Prime Minister Golda Meir resigned in disgrace and a 9 11 style commission investigated the debacle But argues Uri Kaufman from the perspective of a half century the War can be seen as a pivotal victory for Israel After nearly being routed the Israeli Defense Force clawed its way back to threaten Cairo and Damascus In the war s aftermath both sides had to accept unwelcome truths Israel could no longer take military superiority for granted but the Arabs could no longer hope to wipe Israel off the map A straight line leads from the battlefields of 1973 to the Camp David Accords of 1978 and all the treaties since Like Michael Oren s Six Days of War this is the definitive account of a critical moment in history **The Inside Story Of The Yom Kippur War** Karl Weygandt,2021-07-15 The Yom Kippur War also known as the Ramadan War

the October War the 1973 Arab Israeli War or the Fourth Arab Israeli War was an armed conflict fought from 6 to 25 October 1973 between Israel and a coalition of Arab states led by Egypt and Syria This one of a kind story is presented in a vivid chilling and thought provoking way The war on the battlefield and the struggle for physical and mental survival in the prison are interwoven with the presence of death every second almost touching in the most horrifying circumstances Hope Comes Knocking is an inspiring story a lesson from the legacy of warfare worthy of being learned and a must read for every human being On the Banks of the Suez Avraham Adan,1980 Military Memoirs Reading List 2014 **Duel for the Golan** Jerry Asher, Eric M. Hammel,1987 The story behind the victory in the Yom Kippur War **The Six Day War and the Yom Kippur War** Charles River Charles River Editors,2018-03-22 Includes pictures Includes online resources and a bibliography for further reading Despite losing the 1948 war Arab nations throughout the Middle East had still refused to recognize Israel s right to exist After the Suez Crisis Egyptian leader Gamal Abdel Nasser envisioned creating a unified Arab world commonly referred to as pan Arabism Nasser was the consummate pan Arab leader in the 1960s positioning himself as the leader of the Arab world through increasing incitement against Israel with rhetoric Israel found itself in possession of more land after 1948 than envisioned by the U N Partition Plan but the Green Line still left it less than 10 miles wide in some positions In the summer of 1967 the armies of Jordan and Syria mobilized near Israel s borders while Egypt s army mobilized in the Sinai Peninsula just west of the Gaza Strip Combined the Arab armies numbered over 200 000 soldiers In early June 1967 the Israelis captured Jordanian intelligence that indicated an invasion was imminent and at 08h10 on June 5 1967 the Israel Broadcasting Authority aired an Israeli Defense Force communique Since the early hours of this morning it read heavy fighting has been taking place on the southern front between Egyptian armored and aerial forces which moved against Israel and our forces which went into action to check them Over the next six days the Israelis overwhelmed the Egyptians in the west destroying thousands of tanks and capturing the Gaza Strip and the entire Sinai Peninsula At the same time Israel drove the Jordanians out of Jerusalem and the West Bank and it captured the Golan Heights from Syria near the border of Lebanon In the span of a week Israel had tripled the size of the lands it controlled Israel had gone from less than 10 miles wide in some spots to over 200 miles wide from the Sinai Peninsula to the West Bank Israel also unified Jerusalem The results of the Six Day War created several issues that have still not been resolved in the Middle East Israel now found itself in possession of territories that were the home of over a million Arabs Of these territories Israel officially annexed only East Jerusalem and the Golan Heights leaving the inhabitants of the West Bank Sinai Peninsula and Gaza Strip in limbo regarding citizenship status On October 6 1973 Syria and Egypt caught Israel off guard during the Jewish holy holiday of Yom Kippur surprise attacking the Sinai Peninsula and Golan Heights Although they initially made gains the Israelis turned the tide within a week going on the counteroffensive and winning the war within 3 weeks The Yom Kippur War was the last concerted invasion of Israel by conventional Arab armies but it underscored how entangled the West and the Soviet Union had gotten in the region

The British and French had been allied with Israel in the 1950s including during the Suez Canal War and the United States assisted Israel by providing weapons as early as the 1960s As a way of counteracting Western influence the Soviets developed ties with the Arab nations After the Yom Kippur War President Jimmy Carter s administration sought to establish a peace process that would settle the conflict in the Middle East while also reducing Soviet influence in the region On September 17 1978 after secret negotiations at the presidential retreat Camp David Egyptian President Anwar Sadat and Israeli Prime Minister Menachem Begin signed a peace treaty between the two nations in which Israel ceded the Sinai Peninsula to Egypt in exchange for a normalization of relations making Egypt the first Arab adversary to officially recognize Israel For the Camp David Accords Begin and Sadat won the Nobel Peace Prize but the peace treaty may have cost Sadat his life as he was assassinated in 1981 by fundamentalist military officers during a victory parade

*The Yom Kippur War* Sunday Times of London Insight Team, **At the Decisive Point in the Sinai** Jacob Even, Simcha B. Maoz, 2017-09-15 A commander and an officer with the IDF recount their experiences in the Yom Kippur War offering insight into Israel s military leadership At the Decisive Point in the Sinai is a firsthand account of Operation Stouthearted Men arguably the 1973 Yom Kippur War s most intense engagement General Jacob Even and Colonel Simcha B Maoz were key leaders in Major General Ariel Sharon s division Together Even and Maoz recount the initial stages of the Suez crossing examine the Israel Defense Forces IDF response to Egypt s surprise attack and explain Sharon s role in the transition from defense to offense They detail Sharon s struggle to convince his superiors of his plan and argue that an effective division commander is not only revealed by his leadership of subordinates but also by his ability to influence his senior officers Even and Maoz challenge students of military leadership by offering a case study on effective leadership At the Decisive Point is the single best volume I have ever read on the Yom Kippur War It bridges the gap between the two standard forms of writing on the 1973 conflict the memoir and the historical monograph and does so in a very effective manner Robert M Citino author of *The Wehrmacht Retreats Fighting a Lost War 1943* The authors work in sum presents an interesting and informative account of the Yom Kippur War on the Sinai front Israel Affairs
