Them cowpokes Ace Reid,1962 *Them Cowpokes* Asa E. Reid,1962 *Battle Mountain* Matt Cole,2018-03-01 Clay Parker and his cohorts are what is left of the once infamous Tulley gang They have waited five years to get the money they stole from a bank which they believe has been hidden by one of their own and he has just been released from prison Now Hugh Donahoe is meeting up with his daughter Mena in the town of Battle Mountain When his old gang mates confront him he is killed The money is not found however and the gang suspects that Mena has hidden it in a trunk which is being carried by Glen Maddox and his mule freighters across the Nevada plains and on its way to Oregon Parker devises a plan to attack the mule train to get to the stolen money But Parker is unprepared for the grit of Glen Maddox and his freighters The Scout Harry Combs,1996-05-04 Epic in scope and grand beyond our imaginings The Scout continues the magnificent story that began the highly acclaimed novel *Brules* In his stunning new novel Harry Combs recreates a time when the West was the white man s greatest challenge and the red man s last battleground a towering tale of dreams unfettered of mustangs running free and of young men riding hell bent for leather into Indian country for no other reason than they were young brave and wild By 1900 the Old West was vanishing but the man many called its fastest gun was still alive By then Car Brules had shut himself and his secrets away in a cabin on Colorado s Lone Cone Peak Only one person knew his real story a boy of eleven who became his friend and heard his extraordinary tales in 1909 The Scout is that unforgettable story just as young Steven Cartwright heard it just as Brules told it hard and gritty wry with a cowboy s humor and true to the spirits of all those who loved the west and died for it from Custer to Crazy Horse Many hard hurting things had driven Cat Brules to become the man he was The death of his beloved Shoshone bride Wild Rose was one of them Months after Brules lost her brutally and far too soon Wild Rose still came to him in his dreams With a void in his heart and a reckless spirit Brules signed on as a Scout for General George Crook whose cavalry was headed into the Badlands Then the U S Army still didn t know that there were fifteen thousand Sioux and Cheyenne in those Wyoming foothills and under chiefs Sitting Bull and Crazy Horse every one of them was willing to fight to the death to live free Brules s account of the violence that ensued told with eyewitness immediacy and chilling authenticity is one of courage and shame as he rides the trail toward the Little Big Horn and the battles that followed Seeing for himself the dying of a way of life Brules tells a searing truth about America s history the betrayal of Custer to the Sioux the hunting of Geronimo and the U S Army s cruel pursuit of Chief Joseph and his Nez Perce And here too are the women who loved Brules White Antelope the gentle Indian maiden who wanted what Brules felt he could never give again and Melisande the saucy Mormon girl who might be too much for even Cat Brules to handle Debunking the myths of the Old West and the romanticism of movies renowned Western writer Harry Combs creates a vision at once more complex magnificent and genuine from the make of the rifle to the caliber of the bullet that cut Custer down A novel unmatched in excitement and adventure The Scout lets you smell the cordite feel a man s hard need for a woman and

Rescue William W. Johnstone, 2016-10-25 THE GREATEST WESTERN WRITER OF THE 21ST CENTURY William Johnstone single handedly shaped the landscape of frontier fiction with his classic Mountain Man series Now he returns to the West with a gritty realistic tale of blood struggles revenge and honor the saga of a man whose legend would spread across a brave new land Rescue In California Frank Morgan nearly found a home But now he s pulled up stakes and hit the road again aiming to reach the high desert of Arizona For Frank the plan changes when he steps into a saloon in a dusty boomtown called Los Angeles That s where he learns that his nemesis Val Dooley has found a new business the selling of young women into prostitution with the victims as young as twelve years old and the survivors ending up drugged and beaten Frank wastes no time tracking his enemy traveling from California to New Mexico and West Texas What he doesn t know is that Val Dooley has been waiting for him all along for one last chance to

bring the last gunfighter down in a hail of lead **Tex Med** Robert J. Eells,2012-11-08 This novel started with a conversation I had with my secretary's husband Worth Videto sitting at their kitchen table one evening Worth shared with me a few examples of small town medicine from the life of his own grandfather Dr James Worth Townsend of Vandercook Lake Michigan Dr Townsends half century of medicine was very similar to that of my father Dr Walter E Eells But what really interested me at the time was Worth's recounting of some unusual experiences his grandfather had as a young man in the summer of 1916 Here are the true elements of the story to the best of my knowledge James Townsend as a young medical student at the University of Michigan did travel to the Rio Grande border with Mexico that very same summer he worked at a general store owned by a relative in Los Indios Texas during the summer the Texas Rangers commandeered him for some medical assistance near the border and his service occasionally meant wearing a pistol he did shoot a rabbit on the first try he reported in a letter on the murder of a Mexican by a Black man as a result of the murder was told to order mourning cloth at the store for the funeral he mentioned a bad drought in his area of Texas and was offered a part ownership in the store if he decided to remain in Texas In the novel James Townsend becomes the fictional character John McFarland Just about everything else in this novel is also fiction or historical fiction since I try to honor the overall historical context and have my fictional characters interact with real historical actors For example the governor of Texas at this time was in fact named Ferguson Pancho Villas raid into New Mexico had just occurred the border between Mexico and Texas was violent and chaotic Texas Rangers had a tough time guarding the border and keeping the peace and German spies were present in Mexico doing their best to keep America from entering the war in Europe In sum Worth shared some stories with me which I chose to expand embellish and turn into a novel Readers will have to decide if it works **Iced** Stephen

Schneider,2016-10-11 Canada is lauded the world over as a law abiding peaceful country a shining example to all nations Such a view also shared by most Canadians is typically naive and misinformed Throughout its history to present day and beyond Canada has been and will continue to be home to criminals and crime organizations that are brilliant at finding ways to make money a lot of money illegally Iced The Story of Organized Crime in Canada is a remarkable parallel history to the one generally accepted and taught in our schools Organized crime has had a significant impact on the shaping of this country and the lives of its people The most violent and thuggish outlaw motorcycle gangs like Hells Angels have been raised to mythic proportions The families who owned distilleries during Prohibition such as the Bronfmans built vast fortunes that today are vested in corporate holdings The mafia in Montreal created and controlled the largest heroin and cocaine smuggling empire in the world feeding the insatiable appetite of our American neighbours Today gangs are laying waste the streets of Vancouver and BC bud flows into the U S as the marijuana of choice Organized crime is as old as this nation's founding with pirates ravaging the east coast even as hired guns by colonial governments Since our nation's earliest times government and crime groups have found that collusion can have its mutual benefits Comprehensive informative and

entertaining as you will discover in the remarkable period pieces devised by the author and the illustrations commissioned specially for this book Iced is a romp across the nation and across the centuries In these pages you will meet crime groups that are at once sordid and inept yet resourceful entrepreneurs and self proclaimed champions of the underdog who operate in full sight of their communities and the law This is the definitive book on organized crime in Canada and a unique contribution to our understanding of Canadian history *The Journal* ,1972 Northwest Folklore ,1967 Catalog of Copyright Entries.
