Thems Eves Daughters:

Eve's Daughters Marion Harland, 1882 *Eve's Children*, 2003-10-01 This volume is devoted to the biblical stories about Eve's children Cain Abel and Seth and to the rewritings and explanations of these stories in a variety of early Jewish and Christian sources Old Testament Apocrypha Philo of Alexandria Targumim the New Testament Rabbinic and Kabbalistic texts Christian Gnostic and Patristic Literature Attention is given also to post biblical stories speaking about Eve's daughters and to traditions in which Cain is viewed as the son of the Devil Three essays examine how the biblical stories were re used and evaluated in modern fiction from Clemens Brentano and Lord Byron to John Steinbeck's *East of Eden* **Eve's daughters** Frances Upcher Cousens, 1895 *Female Personalities in the Qur'an and Sunna* Rawand Osman, 2014-10-03 This book investigates the manner in which the Qur'an and sunna depict female personalities in their narrative literature Providing a comprehensive study of all the female personalities mentioned in the Qur'an the book is selective in the personalities of the sunna examining the three prominent women of ahl al bayt Khadija Fatima and Zaynab Analysing the major sources of Imami Shi'i Islam including the exegetical compilations of the eminent Shi'i religious authorities of the classical and modern periods as well as the authoritative books of Shi'i traditions this book finds that the varieties of female personalities are portrayed as human beings on different stages of the spiritual spectrum They display feminine qualities which are often viewed positively and are sometimes commendable traits for men at least as far as the spiritual domain is concerned The theory particularly regarding women's humanity is then tested against the depiction of womanhood in the hadith literature with special emphasis on Nahj al Balagha Contributing a fresh perspective on classical materials this book will be of interest to students and scholars of Islamic Studies Women's Studies and Shi'i Studies *Eve's Daughter/Modern Woman* Sally Webster, 2004 Often regarded as merely the creator of sentimental images of mothers and children or an expatriate heavily influenced by Impressionism Mary Cassatt is not typically regarded as an artist of radical convictions This text re evaluates these dismissals and presents a complete overview of her mural *The Shipowner's Daughter. A Novel* John Saunders (Novelist.), 1876 *The Comédie Humaine: A daughter of Eve* Honoré de Balzac, 1900 **Beyond the Stars: Themes and ideologies in American popular film** Paul Loukides, Linda K. Fuller, 1990 The third of five volumes of new scholarship on American movie conventions The 19 essays explore cinematic representations of such material items as food weapons clothing tools technology and art and literature Not illustrated No index Paper edition unseen 13 95 Annotation copyright by Book News Inc Portland OR *The Shipowner's Daughter* John Saunders, 1876 Papers on Life and Advent Truth and Other Bible Themes William Laing, 1901 *Seraphita. A daughter of Eve, and other stories* Honoré de Balzac, 1899 *Eve's Daughters* Laura Ellen Haigwood, 1989 **A Daughter of Eve (Une Fille D'Eve)** Honoré de Balzac, 1899 Themes, Issues and Problems in African Philosophy Isaac E. Ukpokolo, 2017-01-31 This volume provides the key to a deepened discourse on philosophy in Africa Available literature and academic practice in African philosophy since the 1960s have

largely featured discourses in the areas of origin general meaning and nature of the discipline with little attention given to specialized areas By contrast this book examines a noticeable shifting focus from such general concerns to more specific subject matter in such areas as epistemology moral philosophy metaphysics aesthetics and social and political philosophy in the light of the African experience The volume includes specific discourses from expert contributors on the nature history and scope of African ethics and metaphysics while also discussing particular themes in African epistemology philosophy of education existentialism and political philosophy Researchers seeking for new perspective on African philosophy will find this work thought provoking instructive and informative

Eve's Daughters Miriam Polster,1992 Heroic acts of women throughout history have been ignored misinterpreted and maligned For example Miriam Polster contrasts the condemnation of Eve with the admiration for Prometheus although each defied the gods and gave humanity knowledge Polster reveals that our understanding of heroism in society is entrenched in archaic male archetypes that are potentially destructive and often irrelevant to our daily lives Offering a positive approach to the psychology of women Polster explains why we must celebrate the heroism of women from Eve to the champions of everyday life the single mother in night school the female scientist in a male dominated field the victim of harassment demanding justice Drawing on case examples from her private practice as well as mythology biblical commentary and anthropology she shows how a different unheralded kind of heroism the heroism of women is more attuned to the real social and psychological needs of women men and children today Polster shows how women and men in confronting their own daily struggles need not be limited to stereotypical male heroism but can rely on their innate and unique strengths and qualities as women heroes have done for centuries to embody true heroism achieve goals and realize self fulfillment
