Theology For Aging:

Practical Theology for Aging Derrel R. Watkins, 2003 Through Scripture studies and the personal experiences of religious leaders and congregants Practical Theology for Aging offers new concepts for ministering to our older population Each chapter looks at a different concern for the elderly such as sexual activity or the overlooked needs of people over 80 and addresses it with the faith and assurance that aging is part of God's great work From scientific models and case studies to passages from both the Old and New Testaments this volume illuminates the power of faith in keeping the elderly whole and well

Toward a Theology of Aging Seward Hiltner, 1975 These essays were first presented as lectures at a Conference on the Theology of Aging sponsored by the National Retired Teachers Association and the American Association of Retired Persons during the spring of 1974 Introduction page 93

Biblical Perspectives on Aging J. Gordon Harris, 2013-04-03 As the population of older Americans grows meaningful perspectives on aging are needed by both the young and the old Biblical Perspectives on Aging God and the Elderly takes a detailed look at the views of aging presented in the Old and New Testaments This wide ranging and insightful survey encompasses not only the entire Bible but also interpretations of sacred Middle Eastern and Judaic documents This new expanded edition of the original classic text adds thorough discussions of the wisdom of the Bible and Jewish literature with ways to interpret these readings and what they teach about spirituality and growing older Approaches to aging issues have changed in recent years With the average American lifespan increasing the view of old age as a solitary time of waiting has been pushed aside So too has the assumption that the elderly simply want to remember the good old days This updated edition of Biblical Perspectives on Aging God and the Elderly has expanded its scope to incorporate and address the effects of these changing views This sweeping study of the Bible's positive treatment of aging and elderly figures sheds new light on contemporary society's negative view of the elderly and what can be done about it Clear examples from both Scripture and literature provide a wealth of understanding comfort and wisdom to everyone interested in aging and the Bible In addition this new edition explores the changing relationships that exist among aging hermeneutics mentoring and spirituality The new insights revealed here reinvigorate the challenge against ageism and traditional pictures of old age as a time of withdrawal and living in the past Among the issues explored in Biblical Perspectives on Aging God and the Elderly are aging experiences and the Bible biblical theology and its role in social support for the elderly hermeneutics and old age spirituality and its relationship to aging cross generational relationships and mentoring and a detailed index of Old and New Testament Scripture references Accessible and concise with compelling arguments and numerous examples Biblical Perspectives on Aging God and the Elderly is an ideal resource for pastors seminary students professionals and leaders of programs for the elderly It shows both young and old that while aging may not be easy Biblical theology can ease some of its mystery

Walker, 1982 **Religion in Aging and Health** Jeffrey S. Levin, 1994 This book brings together key scholars and practitioners from a range of fields in order to advance epidemiological and gerontological research into the role of religion in physical psychosocial and mental health Part One addresses such issues as hope forgiveness the psychodynamics of faith and belief and coping in a theoretical context Part Two seeks to advance the methodological sophistication of research in this area with an emphasis on measurement and design issues The Theology of Aging Carl G. Howie, 1976 **Living Well, Aging Well** Rev. Jose Kallukalam, 2025-09-10 Living Well Aging Well Embracing the Theology of Aging is a life giving exploration of what it means to grow older with faith purpose and joy **Toward a Theology of Aging** Earl C. Dahlstrom, 1979 Biblical Perspectives on Aging J. Gordon Harris, 1987-01-01 Chasing Methuselah Todd T. W. Daly, 2021-02-04 The quest to live much longer has moved from legend to the laboratory Recent breakthroughs in genetics and pharmacology have put humanity on the precipice of slowing down human aging to extend the healthy life span The promise of longer healthier life is enormously attractive and poses several challenging questions for Christians Who wouldn't want to live 120 years or more before dying quickly How do we make sense of human aging in light of Jesus invitation to daily take up our crosses with the promise of the resurrection to come Is there anything wrong with manipulating our bodies technologically to live longer If so how long is too long Should aging itself be treated as a disease In Chasing Methuselah Todd Daly examines the modern biomedical anti aging project from a Christian perspective drawing on the ancient wisdom of the Desert Fathers who believed that the incarnation opened a way for human life to regain the longevity of Adam and the biblical patriarchs through prayer and fasting Daly balances these insights with the christological anthropology of Karl Barth discussing the implications for human finitude fear of death and the use of anti aging technology weaving a path between outright condemnation and uncritical enthusiasm **Towards a Theology of Aging** Dale Van Zant, Atlantic School of Theology, 1986 **Finishing Our Course with Joy** J. I. Packer, 2014-01-31 Thinning hair failing eyesight and arthritic hands reveal an inescapable truth we're only getting older But that doesn't mean we should simply sit back and take it easy In Finishing Our Course with Joy renowned theologian and author J. I. Packer challenges us to embrace old age as an opportunity for continued learning careful planning and heartfelt discipleship Packer's pastoral words and personal stories encourage us to press on toward the upward call of God with endurance and grace that we might continue to glorify God in our aging and finish our lives with joy Aging (Pastoring for Life: Theological Wisdom for Ministering Well) Will Willimon, 2020-04-21 Publishers Weekly starred review Seasoned pastor and church leader Will Willimon excels at creating thought provoking accessible books for working pastors and seminarians
