Trout Reflections:

Trout Reflections Carroll,1993-04-01 Trout Reflections David M. Carroll,1996-02 Naturalist David Carroll leads readers through the yearly cycle of the trout and introduces them to the flora and fauna that inhabit its watery world The reader sees what takes place beneath a river s surface experiences the thrill of fishing on opening day and joins Carroll as he keeps various appointments with the seasons 63 illustrations 12 watercolors *Habit of Rivers* Ted Leeson,2006-11-01 Originally published in 1994 this book was a fly fishing phenomenon in the way Howell Raines s *Fly Fishing Through the Mid Life Crisis* was Taking his fishing hobby to near metaphysical levels Ted Leeson tells about his passions rivers trout and fly fishing With wry humor and rare insight he explores questions that engage most fishermen What is it about rivers that draws us so irresistibly and why does fly fishing seem such an aptly suited response Above all *The Habit of Rivers* is about ways of seeing the wonderfully textured world that emanates from a river Downstream David L. O'Hara,Matthew T. Dickerson,2014-08-04 *Downstream Reflections on Brook Trout Fly Fishing and the Waters of Appalachia* is a mosaic combining nature writing fly fishing narrative memoir and philosophical and spiritual inquiry Fly fishing narratives and fragments of memoir provide the narrative arc for exploring relationships between humans and rivers and the ways in which our attitudes and philosophies impact our practices and the waters we depend on for life The authors guide their readers on a journey from Maine s Androscoggin watershed once one of the ten filthiest rivers in the United States and now home to some of the best wild brook trout fishing in the United States southward through Kentucky into Tennessee and North Carolina where a native southern strain of brook trout struggles to survive Like the rivers themselves the chapters alternate between flowing narratives and the stiller waters that settle out above dams While each stone in this mosaic is worth a close look in its own right seen from a distance the book offers a broader picture of the cold mountain waters of Appalachia and their famous native fish the brook trout embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100% **The Habit of Rivers** Ted Leeson,1996 *A Place on the Water* Jerry Dennis,2013-11-22 More than a collection of fishing stories *A Place on the Water* is a passionate and eloquent exploration of subjects with broad appeal love of land and water informed and unsentimental appreciation of nature and outrage at changes that threaten to obliterate places we can no longer afford to take for granted Jerry Dennis s sparkling prose and Glenn Wolff s captivating illustrations transport us to a world we recognize from childhood a place of limitless range and possibility shimmering with life where the very next cast will be the one that hooks something enormous and wonderful PRAISE *A Place on the Water* is a collection of lyrical haunting essays set in northern Michigan Many are about fishing but that does not necessarily mean they are to be enjoyed strictly by anglers Hemingway s *Big Two Hearted River* was about fishing too but can be read for pleasure if you have never wet a line Dennis covers a lot of ground then but there is throughout the book a kind of constant tone as sharp

and precise as the scent of cedar And it stays with the reader long after he has put down the book Geoffrey Norman author of American Way Eloquent essays about the author s adventures exploring his love of land water and nature in his beloved Michigan Enjoyable reading with beautiful evocative illustrations Sports Afield Jerry Dennis is one of a handful of superb writer who love angling deeply and write memoirs full of warmth eloquence and wit A Place on the Water is a book of many robust and fragile miracles Nick Lyons author of Spring Creek **Trout Country** Bob Saile,1999 After more than 25 years as Outdoor Editor of the Denver Post Bob Saile has countless opinions and stories to share on the allure and adventure of trout streams and fly fishing He serves up a compelling collection with most of the essays set in the West This is trout country the fish the flies the people and the places In his essay Heavy Hitters Saile recalls as a boy reading an article by Joe Brooks about catching a brown trout on southwestern Montana s Big Hole River For Saile it was as if he was there He experienced landing the trout as well as feeling a kinship with the writer You will get the same feeling reading this lively collection which takes the reader from the South Platte to the Gunnison to the Pacific Northwest and the wilds of Alaska The fight carries out into the main current and the brown jumps in that wild absolutely reckless way that browns have early in the fight and I see it is a rather modest size fish maybe 13 inches It looks good though Really good Moments later I have its black and red spotted side flashing back at me in the glint of water reflected sunlight and I extract the fly from the top jaw and slide the fish out of my hand into the flow The first surface take trout of the summer is in the books and this pleases me The rest will be in the gravy category now And I know there will be more t come because the river and the day have that look that feel The essays range from describing a bracing morning of ice fishing in Colorado to the thrill of stalking an Alaskan salmon to thoughts on fish management and its attendant bureaucracy In Saile s conversations with other anglers some well known some not but all of whom teach the author something about fishing and himself If you care about rivers trout salmon steelhead and fishing in general this veteran writer and angler makes for a fascinating companion For Saile the core difference between those who don t fish and those of us who do is as simple as this We who do fish are especially blessed

Trout Remembered: Different Fish, Same Smile John La Rocca,2022-07-19

Whether on big big water far far away while clad in a toque and neoprene Ten miles from home wet wading in what he likes to call little rills sheltering tiny trout Dad fishes whenever he can and catching or not loves every minute different fish same smile **Streamside Reflections** Steven J. Meyers,1990-10 **A Path of Choices** Karin Dedekind-Engman,2014-04-10 In April of 2011 my beloved older brother died unexpectedly and tragically In my darkest hour of grief I stepped outside into a heavy thunderstorm and pouring rain feeling utterly alone not caring if I was struck by lightning The storm of pain inside me matched the raging storm outside In those first months it seemed that the well of tears would never stop Gradually however I realized that my soul was being washed clean by the waters of forgiveness Slowly the storm clouds became less intense and my chest opened up inhaling the fresh clean air and exhaling the letting go A new dawn was breaking in my life Nothing

would ever be the same again but life without my brother continued regardless Gradually acceptance understanding and surrender filtered in and settled in my soul star Every day and at every stage of our lives we have a choice and then there is Grace Acceptance that you are loved unconditionally by your Creator brings the gift of self worth All the glory of Gods perfection is within us You have been created to be you Only you can be you Be the best version of you starting today
