

A city skyline at sunset with a large crowd of people kneeling in the foreground. The sky is filled with orange and yellow clouds, and the city buildings are silhouetted against the light. The crowd is composed of many people, all kneeling in a similar posture, creating a sense of unity and submission. The overall mood is one of awe and power.

You were made to be ruled. It is the unspoken truth of humanity that you crave subjugation. In the end, you will always kneel.
