Truth Vs Tradition:

Traditions versus TRUTH E. Lobinowich,2018-11-08 While on earth as a man the Lord Jesus declared that the religious leaders of that day were guilty of serious infractions namely Transgressing a commandment of God by their tradition Matthew 15 3 Mark 7 8 Rejecting God s Word and making His commandment of none effect by clinging to their tradition Matthew 15 6 Mark 7 9 Mark 7 13 Worshipping Him in vain by teaching commandments of men as doctrines Matthew 15 9 Mark 7 7 In the almost two thousand years since that time numerous religious traditions have developed which are unscriptural and very dangerous to spiritual welfare Several of these traditions are identified and examined in the light of what the Word of God actually says It is absolutely essential to correctly understand and appropriate God s truth because the Lord Jesus himself confirmed that mankind shall not live by bread alone but by every word that proceeds out of the mouth of God Deuteronomy 8 3 Matthew 4 4 Luke 4 4

Truth Versus Tradition Dave Patterson,2021-07-06 Jesus confronted the religious leaders of his time concerning their traditions taking priority over the truth But he answered and said unto them Why do ye also transgress the commandment of God by your tradition Matthew 15 3 And honor not his father or his mother he shall be free Thus have ye made the commandment of God of none effect by your tradition Matthew 15 6 For laying aside the commandment of God ye hold the tradition of men as the washing of pots and cups and m any other such like thing ye do Mark 7 8 Just because it is tradition does not make it the truth Some people will say about these chapters What difference does it make The difference is what is often traditionally taught does not make it the truth when it comes to the accuracy of the scripture I would ask Why does it matter if I lie to you or tell you the truth Most people do not like being lied to I challenge the reader to take a clear perspective of the written Word of God Believe the truth Do not hold on to things you have been previously taught to you just because it is tradition Truth Versus Tradition will take you to the scripture and document what the truth of God s Word says and what has been wrongly taught by tradition Truth Versus Tradition Dave Patterson,2021-05-25 Jesus confronted the religious leaders of his time concerning their traditions taking priority over the truth But he answered and said unto them Why do ye also transgress the commandment of God by your tradition Matthew 15 3 And honor not his father or his mother he shall be free Thus have ye made the commandment of God of none effect by your tradition Matthew 15 6 For laying aside the commandment of God ye hold the tradition of men as the washing of pots and cups and m any other such like thing ye do Mark 7 8 Just because it is tradition does not make it the truth Some people will say about these chapters What difference does it make The difference is what is often traditionally taught does not make it the truth when it comes to the accuracy of the scripture I would ask Why does it matter if I lie to you or tell you the truth Most people do not like being lied to I challenge the reader to take a clear perspective of the written Word of God Believe the truth Do not hold on to things you have been previously taught to you just because it is tradition Truth Versus Tradition will take you to the scripture and document what the truth of God s Word says and what has been wrongly taught by tradition

Truth or Tradition Volume One James R. Johnson,2015-06-24 Since the beginning of time man s destiny has been to discover his true purpose in life to find meaning direction and fulfillment in this vast and complex world in which we live It is man s intent to understand himself and to know exactly where he fits into the scheme of things His lifelong pursuit is to understand the very essence of his being such as what is a soul Do I have one Does it die Does it go to heaven How does the soul operate within my physical body How is the soul associated with the Holy Spirit of God Are the Spirit and soul the same Does an animal have a soul Does the soul of an animal go to heaven How does this come into play within the rest of God s creation and how does God deal with all the other individual segments of His creation If you have ever asked yourself any of these questions Truth or Tradition is the book for you It is a must read for the spiritually minded This book will expand your mind to avenues you never gave much thought to before It will take you to levels you ve never been before It will challenge you to a completely new way of thinking Truth or Tradition is a compilation of ideas notes and theories gathered over the last twenty five years from various sermons and studies and coming from a wide variety of sources Author James R Johnson has always had an unquenchable curiosity that overlapped into his Christian walk He wants to challenge readers to be more diligent in studying the word thus allowing the Holy Spirit to discern what is truth and what is traditional The book also reveals how God loves and cares for His entire creation and how everything operates within the will of God Do Pets Go to Heaven

Tradition Vs Truth Jacquelyn Gordon Leone,2009-09-30 Are you tired of religion Are you searching for the reality of the God of the Bible You re not alone Time as we know it is running out The clock is ticking towards a New Heaven and a New Earth Revelation 21 1 God is re aligning His people back to His Ways and restoring His people back to Himself Not the ways of religion or the traditions of men but the Ways of God As we race towards the beginning of everything being made new our understanding of what God is doing in these last days are imperative We do not want to miss after almost 2000 years what God is doing in this season of time This is the season of preparing His Bride and calling her into intimacy Because of this there is beginning a movement of real change in our Christianity the real change we need God is pulling back the veil for those who are searching for His Truth I must warn you this is a very controversial message Let me assure you you have not heard this teaching before It goes against every tradition taught since the 2nd Century AD

Too Busy with Busyness to Hear God Roy D. Beard,2004 In light of September 11 2001 we have all come to realize that our world can change in the blink of an eye In a time of tragedy we tend to turn to the Spiritual and God It is sometimes frustrating to find that in our most desperate hour we find no solace because we do not recognize His voice It is to our detriment that we have allowed our busyness to replace a developed relationship with God The church of today is attempting to accommodate entertain and retain people rather than providing real answers to real problems I believe that this is why the church has not progressed to a greater degree toward the mark of Gloriousness which Jesus foretold Why The church of this age is so BUSY with the BUSYNESS OF DOING we cannot hear what God is saying We have become Human doings rather than Human beings We

have lost the art of LISTENING as well as the courage to simply DO what God is DOING and SAY what God is SAYING Two household chores washing and ironing depict what I m speaking of in a remarkable manner How do you remove spots and wrinkles from clothing Washing and ironing But since the art of doing laundry is a thing of the past we miss this analogy How do you remove wrinkles from clothing You iron them out What is ironing It is the application of heat and pressure which smoothes out the wrinkles As we move this into the human arena we are confronted with vehement resistance We do not like heat or pressure We live in a push button society and a microwave world Everything is instant God instructed Israel during the wilderness journey to not erect permanent structures Why They were simply passing through to their ultimate destination They dwelled in temporary structures and did not amass hordes of things or obligations in life Many of us are stuck where we are today because we have allowed ourselves to become overly encumbered by possessions and obligations We are so enslaved to this world that we can neither hear God nor follow Him completely It is God s desire to take each believer into His laundry room and prepare us for service He wants us to realize that just because we are busy at religious things it does not mean that we are spiritual We need to learn the four causes of burnout and avoid them It is imperative that we develop Ears to Hear in our relationship with God As we learn the secret of relationship and God s provisions through His covenant we will find restoration to what He designed us to be It is my desire to see each person free from the bondage of performance so they can enjoy the freedom of relationship

Truth Or Tradition Terry Johns,2009 In this book we will be looking mostly at the institutional church the relationship that believers have with it and its compatibility with the Kingdom of God We will be asking if over the past 1700 years the traditions of men have gradually usurped the authority of the Bible We will try to identify some of Satan s tactics for deceiving believers and ask if indeed much of what passes as the Christian Church is in fact a subtle counterfeit engineered by the Prince of Lies I have just read your book on my computer and I am breathing air that is purer and fresher than it has been in a long time Praise God for your fearless approach to this very important topic Jesus is indeed coming back for a spotless Church May God bless you as you seek to shed light on these dormant truths Truly we are witnessing the reformation of the Church in our generation Ray H USA TERRY JOHNS was converted in 1982 whilst working in the second hand car business For the past 20 years Terry Chris Johns have travelled the world teaching at YWAM schools Mission conferences and local Churches They have planted new Churches taken short term teams to Africa India and Eastern Europe and have played a key role in the UK House Church movement Terry is an author public speaker Life Coach and mentor Along side his Life Coaching business and Ministry focus Terry is a Race Car Driver High Performance Driving Instructor and Paraglider Pilot Terry Chris moved to Alberta Canada in March 2005 GO

Irenaeus's Demonstration of the Apostolic Preaching Iain M. MacKenzie,2017-11-22 This title was first published in 2002 The theology of Irenaeus and the Demonstration of the Apostolic Preaching in particular is pivotal in showing the way in which the fathers of the church interpreted scripture and distilled doctrine The Demonstration is an important hinge showing how the doctrine of the fourth century with its definitive councils and definitions of faith opens out from the new testament apostolic and evangelical witness Presenting the full translation of the Demonstration of Irenaeus by Dean Armitage Robinson this book offers a detailed theological commentary by Canon Iain MacKenzie on this foundational doctrinal text MacKenzie sets out the main theological themes throughout Irenaeus work and explores his method of systematic theology Athanasius's dependence on Irenaeus and Irenaeus influence on doctrine in the fourth century particularly the works of Athanasius Basil of Caesarea Gregory of Nazianzus and Gregory of Nyssa Highlighting the importance of this second century theologian for theology today this commentary and theological interpretation offers an incentive to study Irenaeus in the wider development of Christian doctrine as a cardinal figure in the appreciation of systematic theology **The Siddhanta Deepika Or the Light of Truth** ,1901 Truth versus Tradition Nathaniel George WILKINS,1875 Legend Truths Sophia Curie,AI,2025-01-31 Legend Truths explores the fascinating intersection between documented events and the urban legends they inspire revealing how real incidents transform into the cautionary tales that captivate our collective imagination Through meticulous research combining police reports archival documents and expert interviews the book uncovers the factual foundations behind popular legends like the kidney theft ring stories and haunted highway narratives demonstrating

how actual crimes and accidents evolve into modern folklore The book s three part structure systematically traces the evolution of urban legends beginning with an examination of how mass media and digital networks accelerate the transformation of news into myth Through detailed case studies readers discover how documented incidents such as real elevator accidents spawn elaborate cautionary tales that reflect deeper societal fears The analysis draws from multiple disciplines including criminology social psychology and digital anthropology to explain why people continue believing and sharing these stories despite contradicting evidence What sets this work apart is its commitment to verifiable cases and its practical application of folklore studies to contemporary issues Rather than simply debunking myths it demonstrates how urban legends serve as mirrors of cultural anxiety and social change The book s interdisciplinary approach makes it valuable for both academic researchers and general readers interested in understanding how today s digital landscape influences the spread of modern myths and shapes our collective understanding of truth and fiction
