discipline and human governance on literacy on the development of chaplains ministry and on the mindset of the officer corps It also looks at the larger question of how its values were absorbed into the ethos of the navy as a whole It draws on sources both familiar and unusual logs letters minutes memoirs tracts and sermons Regulations to explain how evangelical influence affected officer corps lower deck and Admiralty showing how a movement that began by promoting public worship at sea became an agency for mass evangelism through literature preaching and off duty gatherings where officers and men met for shared Bible reading and prayer a mere decade after the great Mutinies
