Weightless Wealth:

Weightless Wealth Daniel Andriessen, Rene Tissen, 2000 *Weightless Wealth* provides you with the practical tools to identify assess and evaluate these intangible assets and helps you to leverage them to their full potential creating a high growth high performance company

Making Sense of Intellectual Capital Daniel Andriessen, 2004-02-18 Peter Drucker has introduced us all to the knowledge era where knowledge is the primary resource and intangibles intellectual capital resources and assets are now largely recognized as the most important sources of organizations competitive advantage With the recognition of the importance of Intangibles comes the problem of how to properly identify them and assign them a value within the corporation This is an area of concern in 5 fields 1 accounting and financial reporting 2 performance measurement and management 3 valuation in the finance field 4 the Human Resources field in terms of management strategy and planning and 5 Intellectual Capital Over the past eight years over 25 methods have been proposed for the valuation of intangibles coming out of these 5 fields In this book Andriessen evaluates 25 existing methods of intangible valuation according to highly developed criteria In performing his evaluations Andriessen synthesizes the state of the art research from these fields based on extensive research He then presents his own method for valuing intangibles which he began developing and testing as a Senior Manager at KPMG Knowledge Advisory Services in The Netherlands He relates six case studies in which this method was tested in actual companies carefully reviews the results of his tests and then concludes by offering a new and improved method for valuing intangibles in his *Weightless Wealth Toolkit* a complete step by step process for identifying valuing and managing Intangibles to help managers operate successfully in the Intangible Economy

The Business of Virtue Clive Wright, 2004 Clive Wright explores the interface between Christian values and the utilitarian and pragmatic consideration of business By turning its back on the business world he argues that Christians have lost a valuable opportunity to influence the secular world He lays out a Christian affirmation of wealth creation and shows how by religious thinking and business activity can fruitfully come together

Beyond the Deal: A Revolutionary Framework for Successful Mergers & Acquisitions That Achieve Breakthrough Performance Gains Hubert Saint-Onge, Jay Chatzkel, 2008-08-10 Mergers and acquisitions are happening in record numbers with billions of dollars changing hands and major corporate deals making headlines every day But the harsh reality is that most deals fail Why Because the companies didn t plan didn t prepare and didn t perform up to expectations They didn t think beyond the deal This revolutionary guide written by two top consultants who ve worked with some of the biggest companies in the world goes beyond other books on the subject by giving you a complete systematic framework of hands on strategies for every step of the process No matter which side of the acquisition you re on what stage of the game you re at or whatever level of management you re in you will learn how to create new value for yourself recognize new opportunities for your team and inspire unprecedented levels of performance for your organization If you ve got the urge to merge and the need to succeed *Beyond the Deal* offers a wealth of ready to use tools

and techniques including 6 essential keys to a smooth integration 4 steps to making a quantum leap in performance 3 common mistakes that lessen value 3 surefire ways to get your team on board Dozens of case examples quizzes checklists and more In addition to step by step planning strategies the book shows you how to assess a company s full potential and more specifically how to motivate full time workers as they face new challenges take on new responsibilities and work with new people You ll also find crucial advice on corporate branding customer service company leadership and knowledge management And you ll be surprised to discover just how do able and profitable mergers and acquisitions can be The book also includes self questionnaires to test your acquisition readiness case by case examples of famous successes and notorious failures and other tools
