*Humble Pie* Robert Day Webb,2025-10-20 The hard rocking British supergroup was fronted by Steve Marriott possessor of what is generally regarded as one of the finest ever rock and blue eyed soul voices They achieved global success in the early 1970s and earned themselves a reputation as one of the best live bands of the era However this enormous success was to be short lived and the group initially disbanded in 1975 There were to be subsequent reformations and reunions but the heady days of the early 1970s were not to be repeated Ultimately in rock music appraisals the band are often overshadowed by their contemporaries the likes of Led Zeppelin Deep Purple Faces Free and Bad Company but Humble Pie's influence on the rock and metal bands that followed in their wake

cannot be denied This book examines all of Humble Pie s recorded output in detail covering every chapter of the band s musical story from the early carefree and democratic days of genre experimentation through to their halcyon period of hard rocking R B The various subsequent reformations and reunions are also covered in detail bringing the band s story into the 21st century and offering fans old and new alike a fully comprehensive look at the band s musical legacy Robert Day Webb graduated from the University of Birmingham and subsequently worked in the publishing industry for sixteen years undertaking a wide variety of editorial and writing roles A self confessed music movie and TV buff Robert has also had several personal reflection essays published in a number of music and TV related anthology books and more recently saw his first solo book published Badfinger On Track Sonicbond 2022 He currently lives in Gloucester UK with his wife Marie and their two children Joshua and Lauren

**Steve Marriott** Paolo Hewitt,2015-09-07 Steve Marriott was one of the music world s most extraordinary individuals A supremely gifted songwriter singer and schemer A vocalist from the same mould as Rod Stewart Eric Burdon and Steve Winwood but arguably the greatest white soul singer of them all Marriott never held back from anything least of all his music his vocals always possessed an intensity clarity and maturity that at the time were unmatched by any other singer His band The Small Faces were the first to be banned from Top of The Pops and were deported from Australia at gunpoint Steve s next group Humble Pie ruled the stadiums of America but the money earned was diverted by mafia associates and he returned to the UK broke and on the run from the Taxman In later life he struggled with schizophrenia but always continued playing blistering gigs in front of small audiences in the pubs and clubs around London Recently reunited with his old Humble Pie sparring partner Peter Frampton he was on the verge of a comeback when he was tragically killed in a housefire aged 44 years old A huge influence on a new generation of musicians from Paul Weller to Noel Gallagher due to his death Marriott has perhaps not been granted the status in Rock n Roll s pantheon that he deserved A major reassessment is long overdue Marriott was simply one of the greatest rock stars of all time An exhaustive account of the East End musical maverick it spans his beginnings as a child prodigy his memorable work with arch top Mods the Small Faces and all the way through to his later work with Humble Pie his subsequent solo career and untimely death in 1991 Gary Crowley A riveting account of the singer s life crammed with entertaining stories of rebellion and debauchery and insightful historical background Compulsive reading The Daily Express One of the best books I ve read about the backwaters of rock music The Daily Mail A wonderfully researched eminently readable appreciation of the creative force behind the Small Faces and Humble Pie who created some of the finest pop rock n boogie music of his generation Classic Rock All Too Beautiful traces Marriott s mercurial career from his upbringing in postwar bomb damaged London to his cocaine ravaged demise in a fire at his Essex home in 1991 aged 44 Revealing sympathetic long overdue Uncut Ultimately this is a complex story of extraordinary talent missed chances exotic highs and frightening lows This comprehensive biography of Steve Marriott is as close as we re going to get to extracting the truth about Britain s finest white soul exponent Record Collector Compelling
