

## AGAIN AND AGAIN

Again and again, however we know the  
landscape of love  
and the little churchyard there, with its  
sorrowing names,  
and the frighteningly silent abyss into which  
the others  
fall: again and again the two of us walk out  
together  
under the ancient trees, lie down again and  
again  
among the flowers, face to face with the sky.
