The background image shows a two-story stone house with a rustic, weathered appearance. The walls are made of irregular, grey and brown stones. There are two windows with white frames; the upper one is a double window, and the lower one is a triple window. A small, covered porch with a wooden roof is visible on the right side of the house. In the foreground, there is a gravel path leading towards the house, and several large potted hydrangea plants with vibrant purple and blue flowers are placed near the path. The overall scene is set in a lush, green garden with various plants and trees in the background.
