When his New York Giants played the Baltimore Colts for the league championship that year it became the single most memorable contest in the history of professional football. Broadcast to an audience of millions it was the first title game ever to go into sudden death overtime. Its drama, excitement, and controversy riveted the nation and helped propel football to the forefront of the American sports landscape. Now to mark the fiftieth anniversary of The Greatest Game Ever Played, New York Giants Hall of Famer and longtime television analyst Frank Gifford provides an inside-the-helmet account that will take its place in the annals of sports literature. Drawing on the poignant and humorous memories of every living player from the game, including fellow Hall of Famers Sam Huff, Andy Robustelli, Art Donovan, Lenny Moore, and Raymond Berry, as well as the author's own experiences and reflections, *The Glory Game* captures a magnificent moment in American sports history. It is the story of two very different cities and teams filled with the joy, the disappointment, and the eternal pride of a day that will forever symbolize all that is great about sports. Told with gripping immediacy, *The Glory Game* is an indelible portrait of the NFL's most transcendent hours: a winter version of *The Boys of Summer* told by one of football's true legends. *Contract Record*, 1929
