The Night & I and Anh Hong, In the chaos of the current world such as wars epidemics natural disasters greed cruelty dishonesty meanness and lies among the people questions arise What is going on Who am I Where is this What was I born on this Earth to do Why are people cruel to nature and to humans These questions haunt even my dreams Therefore I write as an effort to rescue myself to free myself from the hurts screams and pains The Night I and contains the sounds of confusion brokenness and worry for human beings including myself Humans are so small and fragile

walking back and forth on Earth always facing unforeseeable uncertainties After struggling experiences and facing The Night darkness and many mysteries I have more energy to love share be tolerant and attach to life and people The more pain and sorrow I feel over evil and badness the more I hope that day by day people will live more kind and the world will be peaceful
