Southern Fried Pride Jackie McMillon,2025-08-19 MY DASH OF SOUTHERN WISDOM I have done so much with so little for so long I can do anything with nothing In the beginning I knew our family came from a long line of Southern roots Beyond that there is a link that is noteworthy to our long lineage The most evident is that we have a passion for life laughter and food We have regular family reunions Once a year we gather to laugh eat and celebrate life On more than one occasion I thought to myself Write a book So I have decided to take on the challenge Hygeia ,1939 Big Appetite Sam McLeod,2010-06-01 Dr Beauregard pulled his chair up a little closer to me looked me in the eye and said Sam I m afraid your health is pretty good You could stand to lose a little weight but without some bad news I can t scare you into taking better care of yourself You ve got to find some meaning in your life that will motivate you to take better care of your body something that gets under your skin something that grabs your imagination something other than a diet And only you can figure that out So begins big boned Sam McLeod s search for the meaning of life Luckily a mysterious envelope arrives in the mail to distract him It s an invitation to a neighborhood reunion where Sam grew up near Nashville Tennessee Sam s wise wife Annie insists that her reluctant husband get in the car and make the cross country trip Here s a map and your itinerary But you keep your hands off that old girlfriend you hear me As Sam drives he tries to work out the meaning of life just like the doctor ordered Instead memories of childhood fill his head Who would be at the reunion Weiner He remembers how Weiner got his name and his lasting fear of buzzards Would he find a descendant of Big Un the snake as fat as a family size can of Franco American spaghetti And what about Lexi She wasn t his girlfriend no matter what Annie says but he remembers the summer night they played hide and seek And with these recollections come the smell of his mother s meatloaf the taste of spicy pimento cheese

the tang of cold pickled shrimp and the tart sweetness of strawberry pie the foods of his Southern childhood Does Sam find the meaning of life Yes he does even though he lacks the emotional intelligence God gave a stinkbug as Annie so delicately put it So come along with Sam as he follows his deep fried roots to a simpler time and place where mothers nourished their children with much more than ham biscuits deviled eggs and tuna noodle casserole with potato chips on top A warm laugh out loud funny memoir for anyone who has ever Collected lightning bugs in a quart size Ball jar Been in a watermelon fight Fallen asleep to the sound of grown ups talking on the porch Been told you re eating a bite whether you like it or not Grown up Southern
