Soviet Ethics And Morality

David Parker

Soviet Ethics And Morality:

Soviet Ethics and Morality Richard T. De George, 1969 **Marxist Ethical Theory in the Soviet Union** P.T. Grier, 2012-12-06 A survey of the intellectual history of Marxism through its several phases and various national adaptations suggests for any of at least three reasons that the attempt to provide a widely acceptable summary of Marxist ethics must be an enterprise with little prospect of success First a number of prominent Marxists have insisted that Marxism can have no ethics because its status as a science precludes bias toward or the assumption of any particular ethical standpoint On this view it would be no more reasonable to expect an ethics of Marxism than of any other form of social science Second basing themselves on the opposite assumption an equally prominent assortment of Marxist intellectuals have lamented the absence of a coherently developed Marxist ethics as a deficiency which must be remedied Third less commonly Marxism is sometimes alleged to possess no developed ethical theory because it is exclusively committed to advocacy of class egoism on behalf of the proletariat and is thus rooted in a prudential not a moral standpoint The advocacy of proletarian class egoism or revolutionary morality may strictly speaking constitute an ethical standpoint but it might be regarded as a peculiar waste of time for a convinced and consistent class egoist to develop precise formulations of his ethical views for the sake of convincing an abstract audience of classless and impartial rational observers which does not happen to exist at present Conscience, Dissent and Reform in Soviet Russia Philip Boobbyer, 2008-08-05 Embracing the political intellectual social and cultural history of Soviet Russia this book provides a useful perspective of Putin's Russia Focusing on the ethics in Soviet Russia it explores the history of moral thinking amongst dissidents and examines the ethical assumptions of the perestroika era

Encyclopedia of Ethics Lawrence C. Becker, Charlotte B. Becker, 2013-10-18 The editors working with a team of 325 renowned authorities in the field of ethics have revised expanded and updated this classic encyclopedia Along with the addition of 150 new entries all of the original articles have been newly peer reviewed and revised bibliographies have been updated throughout and the overall design of the work has been enhanced for easier access to cross references and other reference features New entries include Cheating Dirty hands Gay ethics Holocaust Journalism Political correctness and many more **Soviet Law and Soviet Society** George C. Guins, 2012-12-06 Soviet power rests on two main supports the complete economic dependence of the citizens upon the state and the unlimited political control of the government over the economic social and even cultural life History knows various kinds of despotisms dictatorships and regimentations of economic activity but the U S S R represents a unique kind of dictatorship based on the one party system and integral planning with the specific goal of realization of communism Mankind had never before known such a system Even the best of possible comparisons the analogy with the period of Ptolemies in Egypt is good only in so far as it concerns the regimentation of all kind of economic activity There was in the past no ideology pretending to be adjusted to the needs of the toiling masses no planning system on the same scale and no Communist party apparatus As concerns the modern world the

comparative method is necessary for giving the most graphical characterization of the differences between the Western democracies with their ethical traditions rule of law and the principle of the inviolability of individual rights and on the other hand the Soviet monolithic state with its unscrupulous policy extremities of regimentations and drastic penalties

Herbert Marcuse and the Crisis of Marxism Douglas Kellner, 1984-01-01 This book provides a critical overview of the entirety of Marcuse's work and discusses his enduring importance Kellner had extensive interviews with Marcuse and provides hitherto unknown information about his road to Marxism his relations with Heidegger and Existentialism his involvement with the Frankfurt School and his reasons for appropriating Freud in the 1950s In addition Kellner provides a novel interpretation of the genesis and structure of Marcuse's theory of one dimensional society of the development of his political theory and of the role of aesthetics in his critical theory

Ethics in the Soviet Union Today Howard L. Parsons, 1965

Making the New Post-Soviet Person Jarrett Zigon, 2010 The post Soviet years have widely been interpreted as a period of intense moral questioning debate and struggle Despite this claim few studies have revealed how this moral experience has been lived and articulated by Russians themselves This book provides an intimate portrait of how five Muscovites have experienced the post Soviet years as a period of intense refashioning of their moral personhood and how this process can only be understood at the intersection of their unique personal experiences a shared Russian Soviet history and increasingly influential global discourses and practices The result is a new approach to understanding everyday moral experience and the processes by which new moral persons are cultivated

The Current Digest of the Soviet Press, 1955

Encyclopedia of Ethics: P-W Lawrence C. Becker, Charlotte B. Becker, 2001 A revised expanded and updated edition with contributions by 325 renowned authorities in the field of ethics All of the original articles have been newly peer reviewed and revised bibliographies have been updated throughout and the overall design of the work has been enhanced for easier access to cross references and other reference features

Soviet Marxism-Leninism Alfred B. Evans, 1993-10-30 Alfred Evans presents the first integrated analysis of Soviet Marxist Leninist ideology from the founding of the U S S R to its recent collapse

Multiple Moralities and Religions in Post-Soviet Russia Jarrett Zigon, 2013-01-15 In the post Soviet period morality became a debatable concept open to a multitude of expressions and performances From Russian Orthodoxy to Islam from shamanism to Protestantism religions of various kinds provided some of the first possible alternative moral discourses and practices after the end of the Soviet system This influence remains strong today Within the Russian context religion and morality intersect in such social domains as the relief of social suffering the interpretation of history the construction and reconstruction of traditions individual and social health and business practices The influence of religion is also apparent in the way in which the Russian Orthodox Church increasingly acts as the moral voice of the government The wide ranging topics in this ethnographically based volume show the broad religious influence on both discursive and everyday moralities The contributors reveal that although religion is a significant aspect of the various assemblages of morality much like in other

parts of the world religion in postsocialist Russia cannot be separated from the political or economic or transnational institutional aspects of morality *American and Soviet Society* Paul Hollander,1969 *Soviet Studies in Philosophy* ,1980

Leadership in Extreme Situations Michael Holenweger,Michael Karl Jager,Franz Kernic,2017-04-25 This book covers various aspects of leadership in critical situations and under extreme conditions Today s leaders often face challenging situations or unexpected difficulties and mastering these requires a wide spectrum of competencies such as creativity courage and empathy Therefore this book provides an interdisciplinary approach including both theoretical concepts and practical findings relevant to optimizing leadership in extreme situations Issues such as why people act as they do in stressful and extreme situations or what constitutes the nexus between leadership followership organizations and culture etc are addressed Leadership under extreme conditions is a very complex topic and one that has been approached from a variety of perspectives The contributions to this volume thus originate from various academic disciplines including political science social sciences psychology and philosophy Insights from the study of in extremis leadership can help researchers and practitioners understand the individual team and contextual factors that influence leadership and ultimately organizational efficiency and effectiveness Leadership in Extreme Situations is a collection of contributions by selected scholars and field experts It addresses key issues of leadership morale and cohesion as well as ethical questions provides an ideal entry into the complex world of advanced leadership and serves as a practical guide for the successful implementation of modern leadership

International Ethics Mark R. Amstutz,2018-02-23 Mark Amstutz illustrates the role of moral norms in global politics and the ethical foundation of the rules institutions and structures of global society with twenty six new and revised case studies including the ethics of climate change the refugee crisis and the Syrian civil war The cases address the following major global issues human rights war unconventional military operations foreign intervention international economic relations justice among states and global justice This comprehensive study will be of special interest to students and practitioners of international affairs who are concerned with the role of political morality and ethical judgment in global affairs [US Foreign Policy Towards Russia in the Post-Cold War Era](#) David Parker,2019-06-07 This book discusses how the ideas expectations and mind sets that formed within different US foreign policy making institutions during the Cold War have continued to influence US foreign policy making vis vis Russia in the post Cold War era with detrimental consequences for US Russia relations It analyses what these ideas expectations and mind sets are explores how they have influenced US foreign policy towards Russia as ideational legacies including the ideas that Russia is untrustworthy has to be contained and that in some aspects the relationship is necessarily adversarial and outlines the consequences for US Russian relations It considers these ideational legacies in depth in relation to NATO enlargement democracy promotion and arms control and sets the subject in its wider context where other factors such as increasingly assertive Russian foreign policy impact on the relationship It concludes by demonstrating how tension and mistrust have continued to grow during the Trump

administration and considers the future for US Russian relations **Moral Education** Larry C. Jensen, Richard S. Knight, 1981 *The Bankruptcy of Marriage* Victor Francis Calverton, 1928 **Bolshevik Visions: Creating Soviet cultural forms : art, architecture, music, film, and the new tasks of education** William G. Rosenberg, 1990 The second volume of a collection of writings by early Soviet critics and theorists

Soviet Ethics And Morality Introduction

In today's digital age, the availability of Soviet Ethics And Morality books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soviet Ethics And Morality books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soviet Ethics And Morality books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Soviet Ethics And Morality versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Soviet Ethics And Morality books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soviet Ethics And Morality books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soviet Ethics And Morality books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain

books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Soviet Ethics And Morality books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soviet Ethics And Morality books and manuals for download and embark on your journey of knowledge?

FAQs About Soviet Ethics And Morality Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
