## **Studies In Formal Historical Linguistics:**

Studies in Formal Historical Linguistics [By] Henry M. Hoenigswald Henry M. Hoenigswald, 1973 Vol.3. *Studies in formal historical linguistics* H.M. Hoenigswald, 1973 Studies in Formal Historical Linguistics H.M. Hoenigswald, 2011-10-13 These separate but related essays owe their existence to a combined concern for the workings of text criticism and historical linguistics and for the history of scholarship in these fields On earlier occasions I have suggested certain views on the development of the so called comparative method Few things are more rewarding than to bring implicit preconceptions of the past and present out into the open as I aimed to do then and as I aim to do now This time existing tradition is treated as a body without I hope being seriously distorting and one small portion of its working assumptions is examined My thanks go to the colleagues and students with whom I have had fruitful discussion but especially to Zellig S Harris and to Henry Hiz who expended much more than just his excellent editorial care on these efforts I only hope that I have learned as much from him as he has patiently tried to teach me Lloyd W Daly has kindly read parts of an earlier version and has contributed valuable suggestions *Studies in formal historical linguistics* Henry M. Hoenigswald, 1973
