Studies In Indo Muslim History Volume 1:

Studies in Indo-Muslim History by S.H. Hodivala Shahpurshah Hormasji Hodivala, 2019 In the field of medieval Indian historiography an eight volume magnum opus History of India as Told by Its Own Historians by Sir Henry Myers Elliot 1808 53 and the editor compiler of his posthumous papers John Dowson 1820 81 was published from London between 1867 and 1877 These landmark volumes continue to retain their popularity even nearly hundred and fifty years later and scholars still learn from and conduct their research on the basis of this work However an enterprise of this scale and magnitude was bound to suffer from some serious shortcomings An eminent Indian scholar S H Hodivala undertook the daunting task of annotating Elliot and Dowson s volumes and worked through all the new material selecting or criticizing and adding his own suggestions where previous comments did not exist or appeared unsuitable The first volume of Hodivala s annotated Studies was published in 1939 while the second was published posthumously in 1957 Over the years while the work of Elliot and Dowson has seen many reprints and is even available online now Hodivala s volumes have receded into obscurity A new edition is presented here for the first time Hodivala also published critical commentaries on 238 of about 2000 entries included in another very famous work Hobson Jobson London 1886 by Sir Henry Yule 1820 89 and Arthur Coke Burnell 1840 82 These have also been included in the present edition These volumes are thus aimed at serving as an indispensable compendium of both Elliot and Dowson s and for Yule and Burnell s excellent contributions of colonial scholarship At the same time these would also serve as a guide for comparative studies and critical appreciation of historical texts Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

Studies in Indo-Muslim History Shahpurshah Hormasji Hodivala, 1957 Muslim Rule in Medieval India Fouzia Farooq Ahmed, 2016-09-27 The Delhi Sultanate ruled northern India for over three centuries The era marked by the desecration of temples and construction of mosques from temple rubble is for many South Asians a lightning rod for debates on communalism religious identity and inter faith conflict Using Persian and Arabic manuscripts epigraphs and inscriptions Fouzia Farooq Ahmad demystifies key aspects of governance and religion in this complex and controversial period Why were small sets of foreign invaders and administrators able to dominate despite the cultural linguistic and religious divides separating them from the ruled And to what extent did people comply with the authority of sultans they knew very little about By focusing for the first time on the relationship between the sultans the bureaucracy and the ruled Muslim Rule in Medieval India outlines the practical dynamics of medieval Muslim political culture and its reception This approach shows categorically that sultans did not possess meaningful political authority among the masses and that their symbols of legitimacy were merely post hoc socio cultural embellishments Ahmad s thoroughly researched revisionist account is essential reading for all students and researchers working on the history of South Asia from the medieval period to the present day Studies in Indo-Muslim History by S.H. The Legacy of Jihad Andrew G. Bostom, M.D., 2010-12-29 This book reveals how for well over a millennium and across three continents Asia Africa and Europe non Muslims who were vanquished by jihad wars became forced tributaries called dhimmi in Arabic in lieu of being slain Under the dhimmi religious caste system non Muslims were subjected to legal and financial oppression as well as social isolation Extensive primary and secondary source materials many translated here for the first time into English are presented making clear that jihad conquests were brutal imperialist advances which spurred waves of Muslims to expropriate a vast expanse of lands and subdue millions of indigenous peoples Finally the book examines how jihad war as a permanent and uniquely Islamic institution ultimately regulates the relations of Muslims with non Muslims to this day Scholars educators and interested lay readers will find this collection an invaluable resource
