Studies in Poetry and Philosophy. by J. C. Shairp. John Campbell Shairp,2006-09-01 *Studies in Poetry and Philosophy* John Campell Shairp,1887 Sursum corda!,1887 **Studies in Poetry and Philosophy** J. C. Shairp,2008-06 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **Studies in Poetry and Philosophy** John C. Shairp,2019-12-04 **The Quarrel Between Philosophy and Poetry** Stanley Rosen,2014-06-03 Now available in paperback The Quarrel Between Philosophy and Poetry focuses on the theoretical and practical suppositions of the long standing conflict between philosophy and poetry Stanley Rosen one of the leading Plato scholars of our day examines philosophical activity questioning whether technical philosophy is a species of poetry a political program an interpretation of human existence according to the ideas of 19th and 20th century thinkers or a contemplation of beings and Being *Studies in Poetry and Philosophy* John Campbell Shairp,1874 **Studies in Poetry and Philosophy** J. Shairp,2023-03-25 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **Studies in Poetry and Philosophy** John Campbell Shairp,2015-06-24 *Studies in Poetry and Philosophy* by John Campbell Shairp is a rare gem that contextualizes the work of famous poets like Wordsworth Coleridge and Keble in philosophy Shairp establishes in the beginning itself that this title is not intended to place these stalwarts in the annals of literary greatness It is an attempt to understand the psyche individual thought processes and life experiences of these great poets And with this understanding Shairp is able to link their philosophies in life to the poetry they wrote *Studies in Poetry and Philosophy* contains four essays of which three are based on these poets while the last one revolves around a more abstract question about the moving force of moral life Each essay starts with a brief biography of all each poet Shairp is able to bring out the linkages between Christianity and the religious beliefs of these men The most striking notion established by the author throughout this work is the interplay of continuity and change which these poets grapple with in their lives Each essay has a generous sprinkling of couplets and quotations from the many works of these esteemed poets The essay on Wordsworth is especially worth mentioning as the author is able to deconstruct the complex ideas and phrases used in his poetry to show Wordsworth's appreciation of nature as a living breathing power rather than an assimilation of the dull and boring as some of his contemporaries saw it If not for the observations of the author on the synergy between philosophy and poetry *Studies in Poetry and Philosophy* is an excellent read for knowing more about these poets interesting facts and trivia that the reader whether casual or students of literature and philosophy may not be able to find in other volumes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book
