

ARCHITECTURE

According to Vitruvius, a good architect must have the three characteristics of strength, utility, and beauty, which are commonly translated as stability, service, and delight in modern English, or respectively would be:

- Durability: a construction should be able to withstand the elements, and remain in good condition.
- Utility: it should be appropriate for the purpose for which it is used.
- Beauty: should be pleasing to the senses.

PAINTING

Painting is perhaps the most well known of the seven types of fine arts. People have used flat surfaces of various kinds to represent or capture reality since the beginning of time.

There have been several well-known visual artists, so it is no wonder that this still one of the most popular and widely recognized fine art forms.

SCULPTURE

One of the most arts is sculpture, the ability to form the solid's content of 3D figures. Originally, a sculpture was made by just carving into a material, which was then directly into the stone.

A few contemporary artists or artists that incorporate a wide range of materials and techniques. Sculpting is a bit more of the visual arts but simpler than drawing, it is a type of graphic art.

SEVEN FINE ARTS

MUSIC

Music has a special place among the seven arts because of its capacity to create sometimes sounds using instruments. For a long time, humans had been accompanied by the music of nature.

It is a communicable art form, an art form connecting all aspects of teaching the subconscious heart and influencing an entire population. There are hundreds of musical instruments, which are engaged by hands.

FILM

Film, also known as motion picture or movie, is a media that can be used to capture moving events, as well as other things allowed to make experiences for viewers. Through scenes, navigation, costumes, special or production.

The main "camera," used for "cinematography," is frequently used to take in something and for the industry or used as the artistic expression that results from it.

It is a kind of body expression that can transport the audience and is always had in music. Some features are reflected by instruments, they have with a focus on that of audience when they see at their own emotion of.

The term "performing arts" refers to forms of performance in which artists use their bodies in a special artistic presentation. It is one of a variety of field of visual arts. Performing arts include a variety of physical movements that are usually performed in front of a live audience.

PERFORMANCE

Creators is a form of art that refers to the use of words to express itself, although we know that literature is not just some people do not consider the story to be a form of poetry is also included in this form.

Literature refers to writing that is considered a piece of writing, but is also an artistic or intellectual or cultural, sometimes using the use of language to express ideas.

The Latin word litera is literary, which comes from litera, which means letter, or something was used to refer to it within society.
