Apocalypse and Millennium Kenneth G. C. Newport, 2000-08-10 From the hardback review Read and be challenged Baptist Times From the hardback review Well documented and supplied with excerpts from primary source materials Newport s study provides an intriguing look at how the book of Revelation has frequently been the victim of highly subjective exegesis The practical result of this work is that better understanding of the exegetical assumptions and approaches of apocalyptically minded groups like the Branch Davidians may help prevent another Waco like disaster Perspectives in Religious Studies

Studies on the Apocalypse; Or, An Attempt to Elucidate the Revelation of St. John H. S. L., 1838

Studies in the Apocalypse R H Charles, 2020-02-11 HISTORY OF THE INTERPRETATION OF THE APOCALYPSE BEFORE we enter on a detailed study of the various methods of interpretation that have been applied to the Apocalypse since the earliest times to the present I must preface our investigations with a few introductory remarks First of all while recognizing the close affinities with Jewish Apocalyptic in general I must point out one important characteristic that differentiates Christian Apocalyptic literature of the first century of the Christian era from Jewish Apocalyptic In the second place I shall put forward some general and for the most part obvious considerations which will serve in some measure to provide a preliminary canon of criticism by the use of which we shall be able to recognize amongst the many conflicting and contradictory methods those methods which were more or less justifiable from the outset

Studies in the History of the Greek Text of the Apocalypse Josef Schmid, 2018-08-11 Now available in English Josef Schmid s landmark publication Studien zur Geschichte des Griechischen Apokalypse Textes has been the standard work for understanding Revelation s Greek manuscript tradition and textual history for more than sixty years Despite the fact that most major studies on the book are based on Schmid s work the work itself has long been out of print making it difficult for the broader scholarly community to reassess Schmid s conclusions in light of recent manuscript

discoveries and technological advances This new translation of the work makes Schmid s detailed review of the history of textual scholarship his comprehensive examination of the origin history and development of the Greek manuscripts of the book of Revelation and his assessment of John s peculiar linguistic writing style accessible to a new generation of scholars Features A critical introduction that places Schmid s work in its historical and theoretical context Definitions and explanations of Schmid s text critical terms and categories used in his construction of Revelation s Greek manuscript tradition The latest available information used to correct update and supplement Schmid s Greek manuscript data and historical and text critical conclusions

The Fate of the Dead Richard Bauckham,2014-04-09 These studies focus on personal eschatology in the Jewish and early Christian apocalypses The apocalyptic tradition from its Jewish origins until the early middle ages is studied as a continuous literary tradition in which both continuity of motifs and important changes in understanding of life after death can be charted As well as better known apocalypses major and often pioneering attention is given to those neglected apocalypses which portray human destiny after death in detail such as the Apocalypse of Peter the Apocalypse of the Seven Heavens the later apocalypses of Ezra and the four apocalypses of the Virgin Mary Relationships with Greco Roman eschatology are explored Several chapters show how specific New Testament texts are illuminated by close knowledge of this tradition of ideas and images of the hereafter

The Book of Revelation James Henry McConkey,1921

Studies in the Apocalypse of John of Patmos Edyth Armstrong Hoyt,1963

Revealed Wisdom John Ashton,2014-06-16 A collection of twenty one essays clustered around the theme of apocalyptic revelations of hitherto undisclosed divine mysteries to human seers either directly or through the mediation of an interpreting angel Preliminary essays on the Book of Job Messianism and apocalyptic ethics are followed by five studies centred upon Jewish apocalypses composed around the turn of the era two anonymous three pseudonymous and four essays on New Testament writers two on Paul one on Mark and one on John A reflection upon an early Islamic convert from Judaism emphasizing the Abrahamic lexicon common to all three religions of the book is succeeded by essays on two medieval Christian visionaries Joachim of Fiore and Francis of Assisi After a further essay on a little known Syriac apocalyptic text the volume concludes with studies of four different aspects of the Book of Revelation itself

Apocalypse, Prophecy, and Pseudepigraphy John J. Collins,2015-10-03 A highly regarded

expert on the Jewish apocalyptic tradition John J Collins has written extensively on the subject Nineteen of his essays written over the last fifteen years including previously unpublished contributions are brought together for the first time in this volume Its thematic essays organized in five sections Apocalypse Prophecy and Pseudepigraphy complements and enriches Collins s well known book *The Apocalyptic Imagination* **Imagining Apocalypse** David Seed,2000 *Apocalyptic Literature in the New Testament* Prof. Greg Carey,2016-06-07 Every significant layer of the New Testament features the distinctive concerns of apocalyptic literature including the expectation of a messiah hope for a resurrection expectation of a final judgment and a spiritual world that includes angels and demons Yet many contemporary readers shy away from things apocalyptic especially the book of Revelation This introduction considers the influence of apocalyptic literature throughout the Gospels and Acts Paul s letters and Revelation It argues that early Christian authors drew upon apocalyptic topics to address an impressive array of situations and concerns and it demonstrates example after example how apocalyptic discourse contributed to their ongoing work of contextual theology [The Book of Revelation](#) James H. McConkey,1926

Imagining Apocalypse NA NA,2000-01-14 This volume brings together essays by specialists in different disciplines on the cultural expression of apocalypse in particular in anglophone science fiction of the nineteenth and twentieth centuries Approaching these works from historical philosophical linguistic and literary perspectives the contributors examine the relationship between secular and spiritual apocalypse connecting the fiction and films to their historical moment Not surprisingly war recurs throughout this material as a critical turning point fulfilment of prophecy or prelude to a new age In particular the essays explore the issue of whether modern apocalypse is seen as an ending or a beginning considered under its political ethnic and gendered aspects Among the writers covered are H G Wells Olaf Stapledon and such contemporary figures as Michael Moorcock J G Ballard and Storm Constantine **The Book of Revelation** James McConkey,2018-09-14 Written in 1921 the author uses a very simple A B C outline to tie together end times events as described in Revelation and Matthew s gospel The Moody Bible Institute Monthly vol 22 reviewed the book as follows Tens of thousands of Christian people including thousands of ministers read whatever James H McConkey writes because it is worth reading Mr McConkey relates Matthew 24 with the book of Revelation in a most convincing way finding the story thread running through both books to be the same What some expositors of the Revelation have called parentheses or interludes the author calls insets giving a freshness of expression and some suggestion as to the interpretation This book is written from a premillennial view
