Tigchelaar, 2016-10-11 This volume a tribute to John J Collins by his friends colleagues and students includes essays on the wide range of interests that have occupied John Collins s distinguished career Topics range from the ancient Near East and the Hebrew Bible to the Dead Sea Scrolls and Second Temple Judaism and beyond into early Christianity and rabbinic Judaism The contributions deal with issues of text and interpretation history and historiography philology and archaeology and more The breadth of the volume is matched only by the breadth of John Collins s own work **Subject Guide to Books in Print**, 1997 **The Bible in American Law and Politics** John R. Vile, 2020-09-19 While scholars increasingly recognize the importance of religion throughout American history The Bible in American Law and Politics is the first reference book to focus on the key role that the Bible has played in American public life In considering revolting from Great Britain Americans contemplated whether this was consistent with scripture Americans subsequently sought to apply Biblical passages to such issues as slavery women s rights national alcoholic prohibition issues of war and peace and the like American presidents continue to take their oath on the Bible Some of America s greatest speeches for example Lincoln s Second Inaugural and William Jennings Bryan s Cross of Gold speech have been grounded on Biblical texts or analogies Today Americans continue to cite the Bible for positions as diverse as LGBTQ rights abortion immigration welfare health care and other contemporary issues By providing essays on key speeches books documents legal decisions and other writings throughout American history that have sought to buttress arguments through citations to Scriptures or to Biblical figures John Vile provides an indispensable guide for scholars and students in religion American history law and political science to understand how Americans throughout its history have interpreted and applied the Bible to legal and political issues The College of the Bible Quarterly College of the Bible (Lexington, Ky.), 1948 **Catalog of Copyright Entries.
