Despite dying in relative obscurity Jane Austen has become a global force as different readers across time space and media have responded to her work This volume examines the ways in which her novels affect individual psychologies and how Janeites experience her work from visiting her home to public re enactments to films based on her writings KISS FM:

From Radical Radio To Big Business: The Inside Story Of A London Pirate Radio Station's Path To Success Grant

Goddard,2011-06-09 This comprehensive meticulously researched work offers a rare glimpse into the dark and secretive world of pirate radio in London revealing the ambition and greed of some of those involved as well as the duplicity and deceit deployed to destroy others who got in their way **Far Out at Sea - The Radio Seagull Story** Gordon Kelly,2014-06-16

Far Out at Sea tells the story of Radio Seagull and how a bunch of renegades created a truly alternative radio station Lavishly illustrated with photographs and featuring exclusive interviews with the people involved Far Out at Sea is a must read for all fans of offshore radio The World of Ham Radio, 1901-1950 Richard A. Bartlett,2015-01-28

During the first fifty years of the twentieth century ham radio went from being an experiment to virtually an art form Because of the few government restrictions and the low monetary investment required the concept of ham radio appealed to various people More than just a simple hobby however ham radio required its operators to understand radio theory be able to trace a schematic and know how to build a transmitter and receiver with whatever material they might have available With the advent of World War II and the increased need for cutting edge communications the United States government drew upon the knowledge and skill of these amateur ham radio operators This book explores the history of ham radio operators emphasizing their social history and their many contributions to the technological development of worldwide communications It traces the concept of relays including the American Radio Relay League from contacts as close as 25 miles apart to operators anywhere in the world The book highlights the part played by ham radio in many of the headline events of the half century especially exploration and aviation firsts The ways in which these primarily amateur operators assisted in times of disaster including such events as the sinking of the Titanic and the 1937 Ohio River flood are also examined Collier's ,1928 **Small Press** ,1991

Collier's Once a Week ,1924 **Canadian Books in Print 2002** Edited by Butler Marian,Marian Butler,2002-02

Containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced It offers a complete directory of Canadian publishers available listing the names and ISBN prefixes as well as the street e mail and web addresses **Radio News** ,1923 Some issues 1943 July 1948 include separately paged and
