Peters,2007-11-06 The Many Faces of Biblical Humor examines how the Bible writers intentionally used humor irony and sarcasm to argue their points concisely This work begins with the dysfunctional families of Genesis continues delightfully through every book of the Bible and ends with a glorious fulfillment in Revelation Along the way the reader is presented humorous stories pathetically funny characters and poignant quips and quotes from prophets poets and principals The author paraphrases each biblical text in an engaging prose that highlights the humor of that passage humor that may not have been previously noted by the reader Between the paraphrases the author sets the historical and linguistic setting allowing the reader to see how the humor and puns of the text enrich the biblical understanding of God s message Also included are applications of these marvelous passages to our daily lives as we see our own foibles portrayed in the biblical characters In many ways this is a Bible commentary with an accent on the humorous In another sense it is simply a delightful book that makes the Bible come alive through the latent humor of its characters and their stories This revised edition contains corrections of typographical errors in the first edition as well as some clarifying material to make the humor more enjoyable For more information visit the author s website [Postils for Preaching](#) John Rollefson,2016-12-09 Postils for Preaching reprimates an old term for commentaries on the appointed texts by assisting preachers in their time honored calling of preaching the Word Post illa

some think probably refers to the reflecting after this meaning upon the texts that preachers must do in the context of the lives of their congregations and larger communities These essays do not aim to be sermons but sermon starters goads and incitements to consider the assigned texts with serious imagination and good humor all in the context of the church year and its inter textual connections The intention of this publication is to dip into a lifetime of that exegetical and homiletical bag of tricks as Jesus himself obliquely recommended when he noted how every scribe who has been trained for the kingdom of heaven is like the master of a household who brings out of his treasure what is new and what is old Matt 13 52 Please consider these postils a thesaurus treasury from which to borrow insights references and allusions as needed and found of value

Psalms of Freedom Joseph H.K.A. Espinda Jr.,2024-10-16 How can a broken soul find his way to a better life He can't But through Jesus Christ all things are possible and reachable The reason for writing this book isn't to save anyone because I cannot save a single person only Jesus can The reason for the book is to help others by sharing experiences about abuse bad habits alternative lifestyles addiction and depression to show that all these things can be

overcome and replaced with true joy and freedom I have written many psalms poems during my journey and they are sprinkled throughout the chapters They are meant to stir the heart and spark the imagination into believing that there is a greater force beyond us that longs to embrace us with truth peace and love Songs and poems can create powerful visuals and tap into the human soul to promote an awakening not previously recognized That awakening is the power and light of Christ The psalms speak of my heart and how the love of the Savior changes hearts and changes lives and changes perspectives My greatest perspective change is my identity and how I am seen by the Lord I am a child of God As His child I can step out in faith knowing that God is always near no matter where I have been or where I am going The same is available to anyone no matter what
