*Taxi from Hell* Vladimir Lobas,1992-06      *Confessions from a Hell Bound Taxi, Book 1: Introduction to the Real World*  
Alaric Von Boerner,2011-02-22 From the 1970s to the 90s a taxi driver investigates how society is changing There are questions about a lot of what people believe and how reasoning gets lost in a continuum of manipulative devices How relationships work is explored in depth starting with the many secrets held by prostitutes Controversial viewpoints make the book a critical thinking exercise It is a book to make you think and also may be considered a vocabulary builder for some readers an educational opportunity in more ways than just exposing the real world First of a 4 book series taken together they may present in combination a detonation key unlocking a door to change the world      *Debonair* Gladys Bronwyn Stern,1928      **Taxi Driver-The Ill Fated Lad** Vic K. A,2019-01-17 The book is about a real live story of the beauty of life when I had a wonderful income which ultimately gave me a glamorous lifestyle I had a lavished apartment on the Upper East Side of Manhattan where I was always entertaining my friends and their friends Sometimes me and my friends would use limousine just for the night out At the end of this company and about six months without income I sold my condominium at a reasonable price and relocated to Jersey City in NJ I lived in this spacious apartment for another five months without income I decided to drive a yellow cab I went to TLC for my license to enable me to drive a taxi I registered with a taxi company in Brooklyn and I became a taxi driver Driving taxi and continued job hunting at the same time was daunting Too many summonses from Police Officers and TLC Inspectors within a period of about four years taxi driving my license was revoked No more taxi driving no more income and life became too miserable Vic K A is a college graduate from a reputable university right here in New York City I have a BBA in Banking and Finance and a minor in Accounting I also have a two year certificate from the American Institute of Banking AIB in New York City I have been working in the finance accounting profession for almost thirty years I have worked permanently for four huge corporations not because I wanted to jump from one firm to the other but because I was downsized along the way My first job was with big brokerage firm on Wall Street that filed for bankruptcy decades ago that left almost twenty one thousand employees jobless There had been too many moments of trials and tribulations over the years that finally have brought life back to me I am at the my retirement age and currently living in my home in Queens New York      **Taxi Driver the Ill Fated Lad** Donny Churchill,2017-04-05 This book is a real life story about the beauty of life when you have a wonderful income which ultimately gave me a glamorous lifestyle I had a lavished apartment on the Upper East Side of Manhattan where I was always entertaining my friends and their friends Sometimes my friends and I would use limousine just for the night out At the end of my company contract and after about another six months without income I sold my condominium at a reasonable price and relocated to Jersey City in New Jersey I lived in a spacious apartment for another five months without income then I decided to drive a yellow cab I went to TLC for my hack license to enable me to drive a taxi I registered with a taxi company in Brooklyn and I became a taxi driver Driving the taxi
